Completed:

Multiple BIBCO Standard Record MAPs (Effective Oct. 1, 2010):

- Cartographic Materials
- Electronic Resource (Leader/06 com)
- Graphic Materials
- Moving Images
- Notated Music
- Rare Books
- Sound Recordings
- Textual Monographs (Revised)

In Process (Draft being re-formatted; ready for PoCo by mid-May 2011)

- Draft BIBCO Standard Record Supplemental Requirements for Electronic Monographic Resources (Remote & Direct Access) MAPs. Mar. 14, 2011 version

In Process (in Committee discussion with completion expected by late-May 2011)

- Archival Collections BSR—Paul Frank.
- Consolidated BSRs chart—John Ilardo

In Process (initial rewrite done; being reformatted by John)

- The *Provider-Neutral E-Monograph MARC Record Guide* was written broadly several years ago with the intent to use them with all formats. Up to now, however they were only adopted officially for textual monographs. Now we have rewritten them to put in multiple examples and to make them less print-centric.—Becky, John, Yael, and George Prager
