- Variations (May Subd Geog)**
 - Here are entered collections of musical variations for various mediums of performance. Individual compositions and collections of compositions in the form of variations for a specific medium of performance are entered under the heading followed by a parenthetical qualifier containing the medium, e.g. Variations (Piano with orchestra).

Viatical contracts
 USE Viatical settlements

Viatical settlements (May Subd Geog)
 Here are entered works on a type of contract by which a cash payment is made to a terminally ill person in exchange for the death benefits of that person's life insurance. Works on provisions in life insurance policies that allow for the prepayment of death benefits to cover the cost of long-term care of the terminally ill are entered under Living benefits.
