

## Candidate Music Genre/Form Terms for Discussion

This list, which is primarily derived from *Library of Congress Subject Headings* (LCSH), was last updated on March 22, 2013. The list should not be used as a source of current LCSH vocabulary, as LCSH terms may be modified in between updates.

### KEY TO STATUS COLUMN

**cancel:LCMPT** = cancel heading:use *Library of Congress Medium of Performance Thesaurus for Music* (LCMPT). LCSH heading will be cancelled unless already used topically; medium terms will be available in LCMPT. The final forms of terms as incorporated into LCMPT will not necessarily be exactly as the terms appear in this list.

**cancel:LCMPT+LCGFT** = cancel heading:use LCMPT and *Library of Congress Genre/Form Terms for Library and Archival Materials* (LCGFT). Add medium terms to LCMPT; add genre terms to LCGFT. The final forms of terms as incorporated into LCMPT and LCGFT will not necessarily be exactly as the terms appear in this list.

**cancel:OutOfScopeLCGFT** = cancel heading:terms with a language qualifier and text names are out of scope for LCGFT.

**carrier** = carrier/extent term. Not in scope for LCGFT; may be in scope for LCMPT.

**LCSH** = invalid as genre/form or medium of performance term; used as a topical term in LCSH.

**LCGFT** = add to *Library of Congress Genre/Form Terms for Library and Archival Materials*. The final forms of terms as incorporated into LCGFT will not necessarily be exactly as the terms appear in this list.

**notation:OutOfScopeLCGFT** = type of notation:out of scope for LCGFT

**use Psalms (Music)+730** = cancel heading; use LCGFT Psalms (Music) and a related work access point tagged 730 for the text of the Psalm
