

receiving cable royalty distributions through NAB. *See* Attachment A. The undersigned certifies, on information and belief, that, as of the date of submission of this Joint Petition, the undersigned has the authority and consent to represent NAB on behalf of the interests of U.S. commercial television broadcasters, including the listed participants, in this cable royalty rate proceeding. These participants have a significant interest in the subject matter of the proceedings because they own programming which has been retransmitted in the past by cable systems and are likely to own programming that is likely to be retransmitted in future years by cable systems, for which they will be entitled to receive cable royalties paid in accordance with any cable rate adjustment that may be adopted in this proceeding.

NAB respectfully reserves its right to modify the attached list in response to rulings of the Copyright Office or the Copyright Royalty Judges, the acquisition of additional evidence, or the filings of additional parties.

Respectfully submitted,

THE NATIONAL ASSOCIATION
