## Federal Librarianship Making the Professional Connection

Join the FEDLINK Education Working Group as they inaugurate the third edition of the *Handbook of Federal Librarianship* and identify other resources and professional development opportunities for new and seasoned federal librarians and technicians.

This interactive discussion session will feature a host of new resources available in the handbook and offer a variety of networking connections throughout the federal communities. The program will also honor those who have contributed to the third edition of the handbook and ask participants to brainstorm new information sections for this dynamic online resource.

Following the session will be a tour of the new Civil Rights Exhibition at the Library of Congress. The tour is limited, so register today to reserve your spot!
