## FEDLINK Updated Customer Specific IDIQ Orders With FY18 Order Numbers

FEDLINK members with customer specific IDIQ book orders should have received a copy of a contract modification for each of their customer specific IDIQ vendors. The modifications updated the customer specific IDIQ orders with FY18 order numbers. Please see page 2 of the contract modification (top of the page, second column) for the updated order number. This new order number will appear on all FY18 Funding Allocation Notifications.

If you have any questions about the transition from FY17 to FY18 for Books, please email [fedlinkbooks@loc.gov](mailto:fedlinkbooks@loc.gov).

### CPARs for Book Vendors Coming Soon

FEDLINK will be sending members with customer specific IDIQ orders a Contractor Performance Assessment Report (CPAR) for each vendor. Please evaluate each vendor's performance for FY17 and submit a completed CPAR.

### Preservation Services, Digitization, or Technical Services on Hold in FY18

Please be aware that FEDLINK is not accepting any new requests for preservation services, digitization, or technical services in FY2018. This includes library management and digital asset software and services such as annual maintenance and hosting for CONTENTdm or migration to a new library management system.
