Surveys for grants
to new States.

That it shall be lawful for the governors of the States of Washington, Idaho, Montana, North Dakota, South Dakota and Wyoming to apply to the Commissioner of the General Land Office for the survey of any township or townships of public land then remaining unsurveyed in any of the several surveying districts, with a view to satisfy the public land grants made by the several Acts admitting the said States into the Union to the extent of the full quantity of land called for thereby; and upon the application of said governors the Commissioner of the General

Application of gov-
ernors

Land Office shall proceed to immediately notify the Surveyor-General of the application made by the governor of any of the said States of the application made for the withdrawal of said lands, and the Surveyor-General shall proceed to have the survey or surveys so applied for made, as in the cases of surveys of public lands; and the lands that may be found to fall within the limits of such township or townships, as ascertained by the survey, shall be reserved upon the filing of the application for survey from any adverse appropriation by settlement or otherwise except under rights that may be found to exist of prior inception, for a period to extend from such application for survey until the expiration of sixty days from the date of the filing of the township plat of survey in the proper district land office, during which period of sixty days the State may select any of such lands not embraced in any valid adverse claim, for the satisfaction of such grants, with the condition, however, that the governor of the State, within thirty days from the date of such filing of the application for survey, shall cause a notice to be published, which publication shall be continued for thirty days from the first publication, in some newspaper of general circulation in the vicinity of the lands likely to be embraced in such township or townships, giving notice to all parties interested of the fact of such application for survey and the exclusive right of selection by the State for the aforesaid period of sixty days as herein provided for; and after the expiration of such period of sixty days any lands which may remain unselected by the State, and not otherwise appropriated according to law, shall be subject to disposal under general laws as other public lands: *And provided further*, That the Commissioner of the General Land Office shall give notice immediately of the reservation of any township or townships to the local land office in which the land is situate of the withdrawal of such township or townships, for the purpose hereinbefore provided: *And provided further*, That the governors of the several States herein named are authorized to advance money from time to time for the survey of the townships withdrawn at such United States depository as may be designated by the Commissioner of the General Land Office, and the moneys so advanced shall be reimbursable. The foregoing provisions shall be applicable to Utah when admitted as a State into the Union and a governor is duly inaugurated and acting.

For the survey of the public lands lying within the limits of land grants made by Congress to aid in the construction of railroads, and the selection therein of such lands as are granted therefor, to enable the Secretary of the Interior to carry out the provisions of section one of the Act of March third, eighteen hundred and eighty-seven, entitled "An Act to provide for the adjustment of land grants made by Congress to aid in the construction of railroads and for the forfeiture of unearned lands, and for other purposes," being chapter three hundred and seventy-six of volume twenty-four of the Statutes at Large, page five hundred and fifty-six, the sum of one hundred and twenty-five thousand dollars, which was appropriated therefor by the Act approved August fifth, eighteen hundred and ninety-two, entitled "An Act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-three, and for other purposes," is hereby reappropriated and continued, and any money which shall have been expended of such appropriation and reimbursed and paid into the Treasury is hereby reappropriated, and the said sum shall remain a continuing appropriation, and so often as any part of the same shall, after being expended, be reimbursed by any railroad company as hereinafter provided, the same shall be again available for the purposes aforesaid: *Provided*, That any portion of said sum expended for surveying such lands shall be reimbursed by the respective companies or parties in interest for whose benefit the lands are granted, according to the provisions of the Act of July fifteenth, eighteen hundred and seventy, chapter two hundred and ninety-two, volume sixteen, pages three hundred and five and three hundred

- Resurvey directed in Nebraska. For the purpose of making a resurvey of the lands of Grant and Hooker Counties in the State of Nebraska, under the direction of the Secretary of the Interior, the sum of sixteen thousand dollars, or so much thereof as may be necessary, to be paid out of the appropriation for surveys of public lands made by this Act.
- Port Angeles, Wash. Lots granted for cemetery. PORT ANGELES TOWN-SITE, WASHINGTON: That suburban blocks numbered eighty-seven, eighty-eight, eighty-nine, ninety, ninety-one, ninety-two, ninety-three, and ninety-four, within the limits of the Government town-site reserve of Port Angeles, in the State of Washington, shall be, and are each hereby, granted and confirmed to the town or city of Port Angeles, Washington, for use as a burial ground or cemetery; and upon application therefor by the proper municipal authorities of said town or city to the Secretary of the Interior, patent shall be issued for said blocks, respectively, to said authorities and for the purpose herein expressed.
- Des Moines River lands, Iowa. Commissioner to hear, etc., claims of settlers. DES MOINES RIVER LANDS SETTLERS: To adjust the claims of settlers on the so-called Des Moines River lands, in the State of Iowa, two hundred thousand dollars, or so much thereof as may be necessary, to be expended by the Secretary of the Interior, in the following manner: The Secretary of the Interior shall appoint a special commissioner to investigate, hear, and determine the claims of all settlers, their heirs

and assigns, who, being duly qualified thereunto, have, under the homestead, pre-emption, or other public land laws, entered or filed upon lands included in the grant made by an Act entitled "An Act granting certain lands to the Territory of Iowa to aid in the improvements of the navigation of the Des Moines River, in said Territory," approved August eighth, eighteen hundred and forty-six, and by the "Joint Resolution to quiet title to lands in the State of Iowa," approved March second, eighteen hundred and sixty-one, whose title thereto from the United States has failed. Said commissioner shall find the reasonable sum due, if anything, to the respective claimants, and the measure of damages of said claimants shall be the amount heretofore expended by them to purchase the paramount title to said lands, or in case they have not heretofore purchased the outstanding paramount title, the measure of their damages shall be the reasonable value of such paramount title, if they are still in possession, or the reasonable value of same at time of eviction, in cases of eviction. Said commissioner, in making such examination, shall find and determine:

First. The amount of the just claims of persons, their heirs or assigns, holding patents or other written evidences of title from the United States, who are now and who have been in continuous possession thereunder.

Second. The claims of persons, their heirs or assigns, holding written evidences of title from the United States, who have been evicted from said lands by process of court at the suit of the Des Moines River Navigation Company or its assigns.

Third. The claims of persons, their heirs or their assigns, for a valuable consideration, whose chain of title runs back to the person making the original entry of said lands, and who have heretofore purchased the paramount title: *Provided*, That if the amount herein appropriated is not sufficient to settle all the claims hereinbefore described and included in Schedule E of special report submitted to Congress by the Secretary of the Interior May fifteenth, eighteen hundred and ninety-four, being Senate Executive Document Numbered Ninety-seven, present session, those remaining unpaid shall be submitted to Congress by the Secretary of the Interior, giving the amount of each claim, and such payments shall not include any claim of any pre-emptor or homesteader who had actual notice of the adverse claim of the Des Moines River Navigation Company at the time of making such pre-emption or homestead claim and only paid the necessary fees to the land officers, and who made no valuable improvements on the land so pre-empted or homesteaded. All such claims shall be reported to Congress, and all the facts in regard to any claim of pre-emption and homestead entry, in such cases, shall be reported to Congress: *Provided further*, That said claims, except those hereinbefore indicated, shall be paid in the order of their approval by the Secretary of the Interior, and no money shall be paid hereunder, in any case, until the findings of the commissioner, in such case, are approved by the Secretary of the Interior, who shall have full authority to control all proceedings authorized by this paragraph. To pay the expenses arising under the preceding paragraph, in addition to the appropriation to pay said claims, twelve thousand dollars, or so much thereof as may be necessary.

That all soldiers' additional homestead certificates heretofore issued under the rules and regulations of the General Land Office under section twenty-three hundred and six of the Revised Statutes of the United States, or in pursuance of the decisions or instructions of the Secretary of the Interior, of date March tenth, eighteen hundred and seventy seven, or any subsequent decisions or instructions of the Secretary of the Interior or the Commissioner of the General Land Office, shall be, and are hereby, declared to be valid, notwithstanding any attempted sale or transfer thereof; and where such certificates have been or may hereafter be sold or transferred, such sale or transfer shall

necessary, to be disbursed by the Secretary of the Treasury: *Provided*, That if it be found impracticable to take down, transport, and re-erect said building for the sum herein appropriated, then the Secretary of the Treasury shall cause a new building to be erected upon said site of the Cotton States and International Exposition for the Government exhibit, at a cost not to exceed fifty thousand dollars, for which purpose the amount herein appropriated is hereby made available: *Provided always*, That the United States shall in no manner and under no circumstances be liable for any bond, debt, contract, expenditure, expense, or liability of any kind whatever of the said Cotton States and International Exposition, its officers, agents, servants, or employees, or incident to or growing out of said Exposition, nor for any amount whatever in excess of the one hundred and fifty thousand dollars and of the fifty thousand dollars herein authorized; and the heads of the Executive Departments, the Smithsonian Institution and National Museum, and the United States Fish Commission, and the board of management herein authorized, their officers, agents, servants, or employees, shall in no manner and under no circumstances expend, or create any liability of any kind for, any sum in excess of the appropriations herein made, or create any deficiency.

SEC. 4. That to aid the public land States in the reclamation of the desert lands therein, and the settlement, cultivation and sale thereof in small tracts to actual settlers, the Secretary of the Interior with the approval of the President, be, and hereby is, authorized and empowered, upon proper application of the State to contract and agree, from time to time, with each of the States in which there may be situated desert lands as defined by the Act entitled "An Act to provide for the sale of desert land in certain States and Territories," approved March third, eighteen hundred and seventy-seven, and the Act amendatory thereof, approved March third, eighteen hundred and ninety-one, binding the United States to donate, grant and patent to the State free of cost for survey or price such desert lands, not exceeding one million acres in each State, as the State may cause to be irrigated, reclaimed occupied, and not less than twenty acres of each one hundred and sixty-acre tract cultivated by actual settlers, within ten years next after the passage of this Act, as thoroughly as is required of citizens who may enter under the said desert land law.

Before the application of any State is allowed or any contract or agreement is executed or any segregation of any of the land from the public domain is ordered by the Secretary of the Interior, the State shall file a map of the said land proposed to be irrigated which shall exhibit a plan showing the mode of the contemplated irrigation and which plan shall be sufficient to thoroughly irrigate and reclaim said land and prepare it to raise ordinary agricultural crops and shall also show the source of the water to be used for irrigation and reclamation, and the Secretary of the Interior may make necessary regulations for the reservation of the lands applied for by the States to date from the date of the filing of the map and plan of irrigation, but such reservation shall be of no force whatever if such map and plan of irrigation shall not be approved. That any State contracting under this section is hereby authorized to make all necessary contracts to cause the said lands to be reclaimed, and to induce their settlement and cultivation in accordance with and subject to the provisions of this section; but the State shall not be authorized to lease any of said lands or to use or dispose of the same in any way whatever, except to secure their reclamation, cultivation and settlement.

As fast as any State may furnish satisfactory proof according to such rules and regulations as may be prescribed by the Secretary of the Interior, that any of said lands are irrigated, reclaimed and occupied by actual settlers, patents shall be issued to the State or its assigns for said lands so reclaimed and settled: *Provided*, That said States shall not sell or dispose of more than one hundred and sixty acres of said

lands to any one person, and any surplus of money derived by any State from the sale of said lands in excess of the cost of their reclamation, shall be held as a trust fund for and be applied to the reclamation of other desert lands in such State. That to enable the Secretary of the Interior to examine any of the lands that may be selected under the provisions of this section, there is hereby appropriated out of any moneys in the Treasury, not otherwise appropriated, one thousand dollars.

CHAP. 302.—An Act To amend sections twenty-four hundred and one and twenty-four hundred and three of the Revised Statutes.

August 20, 1894.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section twenty-four hundred and one of the Revised Statutes of the United States is hereby amended so as to read as follows:

Public lands.

“**SEC. 2401.** When the settlers in any township not mineral or reserved by the Government, or persons and associations lawfully possessed of coal lands and otherwise qualified to make entry thereof, or when the owners or grantees of public lands of the United States, under any law thereof, desire a survey made of the same under the authority of the surveyor-general and shall file an application therefor in writing, and shall deposit in a proper United States depository to the credit of the United States a sum sufficient to pay for such survey, together with all expenditures incident thereto, without cost or claim for indemnity on the United States, it shall be lawful for the surveyor-general, under such instructions as may be given him by the Commissioner of the General Land Office, and in accordance with law, to survey such township or such public lands owned by said grantees of the Government, and make return therefor to the general and proper local land office: *Provided,* That no application shall be granted unless the township so proposed to be surveyed is within the range of the regular progress of the public surveys embraced by existing standard lines or bases for township and subdivisional surveys.”

Applications for surveys by settlers, grantees of lands, etc. R. S., sec. 2401, p. 440, amended.

Condition.

SEC. 2. That section twenty-four hundred and three of the Revised Statutes of the United States as heretofore amended is hereby amended so as to read as follows:

“**SEC. 2403.** Where settlers or owners or grantees of public lands make deposits in accordance with the provisions of section twenty-four hundred and one, as hereby amended, certificates shall be issued for such deposits which may be used by settlers in part payment for the lands settled upon by them, the survey of which is paid for out of such deposits, or said certificates may be assigned by indorsement and may be received by the Government in payment for any public lands of the United States in the States where the surveys were made, entered or to be entered under the laws thereof.”

Certificates of deposits by settlers, etc., receivable for purchases. R. S., sec. 2403, p. 441, amended.

SEC. 3. That all laws and parts of laws inconsistent with this Act be, and the same are hereby, repealed.

Received by the President, August 8, 1894.

[NOTE BY THE DEPARTMENT OF STATE.—The foregoing act having been presented to the President of the United States for his approval, and not having been returned by him to the house of Congress in which it originated within the time prescribed by the Constitution of the United States, has become a law without his approval.]
