

Office a written description of the same, and of the manner and process of making, constructing, compounding, and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art or science to which it appertains, or with which it is most nearly connected, to make, construct, compound, and use the same; and in case of a machine, he shall explain the principle thereof, and the best mode in which he has contemplated applying that principle, so as to distinguish it from other inventions; and he shall particularly point out and distinctly claim the part, improvement, or combination which he claims as his invention or discovery. The specification and claim shall be signed by the inventor."

SEC. 2. That section forty-eight hundred and eighty-nine of the Revised Statutes of the United States be, and the same is hereby, amended by striking out the words "and attested by two witnesses," so that the section so amended will read as follows:

"SEC. 4889. When the nature of the case admits of drawings, the applicant shall furnish one copy signed by the inventor or his attorney in fact, which shall be filed in the Patent Office; and a copy of the drawing to be furnished by the Patent Office, shall be attached to the patent as a part of the specification."

Approved, March 3, 1915.

Witness omitted.

Patent drawings.
R. S., sec. 4889.
Witness not required.

Drawings, when requisite.
R. S., sec. 4889, p. 946, amended.
Witness omitted.

CHAP. 95.—An Act To provide for the establishment and maintenance of mining experiment and mine safety stations for making investigations and disseminating information among employees in mining, quarrying, metallurgical, and other mineral industries, and for other purposes.

March 3, 1915.
[H. R. 15809.]

[Public, No. 283.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior is hereby authorized and directed to establish and maintain in the several important mining regions of the United States and the Territory of Alaska, as Congress may appropriate for the necessary employees and other expenses, under the Bureau of Mines and in accordance with the provisions of the Act establishing said bureau, ten mining experiment stations and seven mine safety stations, movable or stationary, in addition to those already established, the province and duty of which shall be to make investigations and disseminate information with a view to improving conditions in the mining, quarrying, metallurgical, and other mineral industries, safeguarding life among employees, preventing unnecessary waste of resources, and otherwise contributing to the advancement of these industries: *Provided,* That not more than three mining experiment stations and mine safety stations hereinabove authorized shall be established in any one fiscal year under the appropriations made therefor.

Bureau of Mines.
Additional experiment and safety stations to be established.

Object, etc.

Proviso.
Annual limit.

SEC. 2. That the Secretary of the Interior is hereby authorized to accept lands, buildings, or other contributions from the several States offering to cooperate in carrying out the purposes of this Act.

Approved, March 3, 1915.

Acceptance of lands, etc.

CHAP. 96.—An Act Providing for the appointment of an additional district judge for the southern district of the State of Georgia.

March 3, 1915.
[H. R. 17809.]

[Public, No. 284.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the President of the United States shall appoint an additional district judge for the southern district of the State of Georgia, by and with the consent of the Senate, who shall reside in the said district and shall possess the same qualifications and have the same power and jurisdiction

Georgia, southern judicial district.
Additional judge authorized.
Vol. 36, p. 1087, amended.
Act, p. 580.
