

for other purposes," approved June 1, 1926 (44 Stat. 680; U. S. C., title 10, secs. 1209, 1210), is hereby amended by adding at the end thereof a section to read as follows:

Vol. 44, p. 680.
U. S. C., Supp. VI, p. 116, amended.

"SEC. 3. In the administration of sections 1 and 2 of this Act, as amended, the Secretary of War is authorized and directed to transfer the powder and other explosive materials from such deteriorated and unserviceable ammunition and components thereof to the Secretary of Agriculture, for distribution and sale in such amounts and at such times as the latter may determine, to farmers at not less than cost, under such regulations as he may prescribe, for use in land clearing, drainage, road building, and other agricultural purposes, by the Secretary of Agriculture. No expense in connection with such distribution and sale shall be borne by the War Department, and the Secretary of Agriculture shall reimburse the Secretary of War for the powder and explosive materials transferred under this section in amounts equal to the credits the Secretary of War would have received in an exchange under sections 1 and 2 of this Act. Amounts so reimbursed are authorized to be made available for the expenditure by the War Department for ammunition or components thereof. The President is authorized to suspend the provisions of this section in case of national emergency."

New section.
Transfer of, to Department of Agriculture.

Reimbursement.

Availability.

Emergency suspension.

Approved, March 3, 1933.

[CHAPTER 209.]

AN ACT

To provide for the selection of certain lands in the State of California for the use of the California State Park system.

March 3, 1933.
[S. 5612.]
[Public, No. 425.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That subject to valid rights existing on the date of this Act, the State of California may within five years select for State park purposes by legal subdivisions all or any portion of the public land not reserved for public purposes in the following townships:

State of California.
Selection of lands in designated townships, for State park system, authorized.

Township 9 south, range 4 east; township 9 south, range 5 east; township 9 south, range 6 east; township 9 south, range 7 east; township 9 south, range 8 east; township 10 south, range 5 east; township 10 south, range 6 east; township 10 south, range 7 east; township 10 south, range 8 east; township 11 south, range 5 east; township 11 south, range 6 east; township 11 south, range 7 east; township 11 south, range 8 east; township 12 south, range 5 east; township 12 south, range 6 east; township 12 south, range 7 east; township 12 south, range 8 east; San Bernardino meridian.

Description.

Upon the submission of satisfactory proof that the land selected contains characteristic desert growth and scenic or other natural features which it is desirable to preserve as a part of the California State park system, the Secretary of the Interior shall cause patents to issue therefor: *Provided*, That there shall be reserved to the United States all coal, oil, gas, or other mineral contained in such lands, together with the right to prospect for, mine, and remove the same at such times and under such conditions as the Secretary of the Interior may prescribe: *Provided further*, That any patent so issued shall contain a provision for reversion of title to the United States upon a finding by the Secretary of the Interior that for a period of more than one year the land has not been used by the State for park purposes.

Patents to issue.

Provision.
Minerals, etc., reserved.

Reversion for non-user.

Approved, March 3, 1933.
