Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That regulation of the sale and distribution in interstate commerce of bituminous coal is imperative for the protection of such commerce; that there exist practices and methods of distribution and marketing of such coal that waste the coal resources of the Nation and disorganize, burden, and obstruct interstate commerce in bituminous coal, with the result that regulation of the prices thereof and of unfair methods of competition therein is necessary to promote interstate commerce in bituminous coal and to remove burdens and obstructions therefrom.
