

Money in lieu of accrued taxes.
44 Stat. 915.

(b) Twenty-five per centum to said counties as money in lieu of taxes accrued or which shall accrue to them prior to March 1, 1938, under the provisions of the Act of July 13, 1926 (44 Stat. 915), and which taxes are unpaid on said date, such moneys to be paid to said counties severally by the Secretary of the Treasury of the United States, upon certification by the Secretary of the Interior, until such tax indebtedness as shall have accrued prior to March 1, 1938, is extinguished.

Amount to satisfy reimbursable charges against fund.

From and after payment of the above accrued taxes said 25 per centum shall be accredited annually to the general fund in the Treasury of the United States until all reimbursable charges against the Oregon and California land-grant fund owing to the general fund in the Treasury have been paid: *Provided*, That if for any year after the extinguishment of the tax indebtedness accruing to the counties prior to March 1, 1938, under the provisions of Forty-fourth Statutes, page 915, the total amount payable under subsection (a) of this title is less than 78 per centum of the aggregate amount of tax claims which accrued to said counties under said Act for the year 1934, there shall be additionally payable for such year such portion of said 25 per centum (but not in excess of three-fifths of said 25 per centum), as may be necessary to make up the deficiency. When the general fund in the Treasury has been fully reimbursed for the expenditures which were made charges against the Oregon and California land-grant fund said 25 per centum shall be paid annually, on or after June 30, to the several counties in the manner provided in subsection (a) hereof.

Proviso.
Paying deficiencies in county payments.
44 Stat. 915.

Payments to counties after charges reimbursed.

Amount for administrative purposes; excess covered in.

Proviso.
Use of moneys covered in.

Conflicting laws repealed.

(c) Twenty-five per centum to be available for the administration of this Act, in such annual amounts as the Congress shall from time to time determine. Any part of such per centum not used for administrative purposes shall be covered into the general fund of the Treasury of the United States: *Provided*, That moneys covered into the Treasury in such manner shall be used to satisfy the reimbursable charges against the Oregon and California land-grant fund mentioned in subsection (b) so long as any such charges shall exist.

All Acts or parts of Acts in conflict with this Act are hereby repealed to the extent necessary to give full force and effect to this Act.

Approved, August 28, 1937.

gress, first session, at a cost not to exceed \$24,877,000 for construction which is hereby authorized to be appropriated for this purpose: *Provided*, That the protection for Pittsburgh, Pennsylvania, is to be interpreted as applying to the metropolitan district of Pittsburgh: *Provided further*, That the local cooperation required by section 3 is complied with: *Provided further*, That if, after investigation, the President finds that any city or town is, by reason of its financial condition, unable to comply with the requirements of section 3 as to local cooperation, he is hereby authorized to waive such requirements on any individual project not to exceed 50 per centum of the estimated costs of the lands, easements, and rights-of-way: *Provided further*, That any funds appropriated for the fiscal year 1938 to carry out the provisions of the Flood Control Act of June 22, 1936, may be used for plant, material, supervisory, and skilled services necessary in the execution of the projects authorized herein, with relief labor furnished under the provisions of the Emergency Relief Appropriation Act of 1937.

SEC. 2. That the Secretary of War is hereby authorized to approve the expenditure of not to exceed \$300,000 per year, from any appropriations heretofore or hereafter made for flood control, in removing accumulated snags and other debris and clearing of channels in navigable streams and tributaries thereof when in the opinion of the Chief of Engineers such work is advisable in the interest of flood control: *Provided*, That not more than \$25,000 shall be expended for this purpose on any single stream in any one year.

SEC. 3. That, in order to further the declaration of policy and principles declared in sections 1 and 2 of the Flood Control Act approved June 22, 1936, and to supplement the preliminary examinations and surveys which the Secretary of War has heretofore been authorized and directed to make of waterways with a view to the control of their floods, the Secretary of Agriculture be, and he is hereby, authorized and directed to cause preliminary examinations and surveys to be made for run-off and water-flow retardation and soil-erosion prevention on the watersheds of said waterways, the costs thereof to be paid from appropriations heretofore or hereafter made for such purposes.

SEC. 4. That section 3 of the Act entitled "An Act authorizing the construction of certain public works on rivers and harbors for flood control, and for other purposes", approved June 22, 1936, is hereby amended by adding the following subsection (d):

"As a condition to the extending of any benefits, in prosecuting measures for run-off and water-flow retardation and soil erosion prevention authorized by Act of Congress pursuant to the policy declared in this Act, to any lands not owned or controlled by the United States or any of its agencies, the Secretary of Agriculture may, insofar as he may deem necessary for the purposes of such Acts, require—

"(1) The enactment and reasonable safeguards for the enforcement of State and local laws imposing suitable permanent restrictions on the use of such lands and otherwise providing for run-off and water-flow retardation and soil-erosion prevention;

"(2) Agreements or covenants as to the permanent use of such lands; and

"(3) Contributions in money, services, materials, or otherwise to any operations conferring such benefits."

SEC. 5. That section 6 of the Act entitled "An Act authorizing the construction of certain public works on rivers and harbors for flood control, and for other purposes", approved June 22, 1936, is hereby
