

[CHAPTER 121]

JOINT RESOLUTION

April 8, 1938
[H. J. Res. 567]
[Pub. Res., No. 85]

To authorize and request the President of the United States to invite the International Seed Testing Association to hold its Ninth Congress in the United States in 1940 and to invite foreign countries to participate in that congress; and also to provide for participation by the United States in that congress.

International Seed Testing Association. Invitation to hold 9th Congress in United States; participation by foreign countries.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President be, and he is hereby, authorized and requested to invite the International Seed Testing Association to hold its Ninth Congress in the United States in 1940, and to invite foreign countries to participate in that congress.

Appropriation authorized.

SEC. 2. That there is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$500, or so much thereof as may be necessary for the expenses of official entertainment by the United States at the Ninth International Seed Testing Congress to be held in the United States in 1940, and such other expenses as may be authorized by the Secretary of State, including the reimbursement of other appropriations from which payments may have been made for the purpose herein specified, to be expended under the direction of the Secretary of State.

Reimbursement of other appropriations.

Approved, April 8, 1938.

[CHAPTER 132]

AN ACT

April 9, 1938
[H. R. 3786]
[Public, No. 475]

Providing for the allocation of net revenues of the Shoshone power plant of the Shoshone reclamation project in Wyoming.

Shoshone reclamation project, Wyo. Allocation of net revenues from power plant.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the net revenues from the Shoshone power plant of the Shoshone irrigation project, properly and equitably allocable to the unconstructed portions of the Shoshone project from the operation of the Shoshone power plant, shall be applied, first, to the repayment of the proportionate construction cost of the power system; second, to the repayment of the proportionate construction cost of the Shoshone Dam; and, third, thereafter such net revenues shall be paid into the reclamation fund, and that the Secretary of the Interior is hereby authorized and directed to apply the net revenues properly and equitably apportioned or to be apportioned to the Garland and Frannie Divisions of said project, in accord with the terms and provisions of existing contracts with the water users on said project.

Apportionment to Garland and Frannie Divisions.

Conflicting laws repealed.

SEC. 2. That all Acts or parts of Acts in conflict herewith are hereby repealed.

Approved, April 9, 1938.

[CHAPTER 133]

AN ACT

April 9, 1938
[H. R. 8654]
[Public, No. 476]

To amend the Act entitled "An Act authorizing the Secretary of the Treasury to convey to the city of Wilmington, North Carolina, Marine Hospital Reservation", being chapter 93, United States Statutes at Large, volume 42, part 1, page 1260, approved February 17, 1923.

Wilmington, N. C. Conveyance of Marine Hospital Reservation to; correction in description.
42 Stat. 1260.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That chapter 93, United States Statutes at Large, volume 42, part 1, page 1260, approved February 17, 1923, being an Act authorizing the Secretary of the Treasury to convey to the city of Wilmington, North Carolina,

Marine Hospital Reservation, be, and the same is hereby, amended by striking out the last twenty-eight words thereof and inserting in lieu thereof the following, to wit: "one hundred and ninety-eight feet south of the south line of Church Street".

Approved, April 9, 1938.

[CHAPTER 134]

AN ACT

To amend an Act entitled "An Act to authorize the construction of a Federal reclamation project to furnish a water supply for the lands of the Arch Hurley Conservancy District in New Mexico", approved August 2, 1937 (Public, Numbered 241).

April 9, 1938
[H. R. 8817]
[Public, No. 477]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Act entitled "An Act to authorize the construction of a Federal reclamation project to furnish a water supply for the lands of the Arch Hurley Conservancy District in New Mexico", approved August 2, 1937 (Public, Numbered 241), is amended to read as follows:

Arch Hurley Conservancy District, N. Mex.
Water supply for lands of.
50 Stat. 557.

"That the Secretary of the Interior is hereby authorized to construct a Federal reclamation project for the irrigation of the lands of the Arch Hurley Conservancy District in New Mexico under the Federal reclamation laws: *Provided*, That construction work is not to be initiated on said irrigation project until (a) the project shall have been found to be feasible under subsection B of section 4 of the Act of December 5, 1924 (43 Stat. 702), but the project may be found to be financially feasible if the Secretary of the Interior finds that the amount to be expended from the reclamation fund can be repaid by the District, and further that the amount of money to be expended from the reclamation fund, plus the amount of money which has been made available from other sources (for the estimated period of construction), equals the estimated cost of construction; (b) a contract shall have been executed with an irrigation or conservation district embracing the land to be irrigated under said project, which contract shall obligate the contracting district to repay the cost of construction of said project met by expenditure of moneys from the reclamation fund in forty equal annual installments, without interest; (c) contracts shall have been made with each owner of more than one hundred and sixty irrigable acres under said project, by which he, his successors, and assigns shall be obligated to sell all of his land in excess of one hundred and sixty irrigable acres at or below prices fixed by the Secretary of the Interior and within the time to be fixed by said Secretary, no water to be furnished to the land of any such large landowner refusing or failing to execute such contract; and (d) contracts shall have been made with all owners of lands to be irrigated under the project by which they will agree that if their land is sold at prices above the appraised value thereof, approved by said Secretary, one-half of such excess shall be paid to the United States to be applied in the inverse order of the due dates upon the construction charge installments coming due thereafter from the owners of said land."

Federal reclamation project authorized.
Post, p. 1133.

Proviso.
Feasibility to be first ascertained.

43 Stat. 702.
Findings required.

Contracts.
Repayment of cost of construction.

Sale of excess land.

Application of excess from sales of land above appraised value.

Approved, April 9, 1938.
