AN ACT

To regulate the hours of duty and the pay of civilian keepers of lighthouses and civilians employed on lightships and other vessels of the Coast Guard.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, notwithstanding any other provision of law, the civil service classification laws and titles II and III of the Federal Employees Pay Act of 1945 shall not apply to civilian keepers of lighthouses and to civilians employed on lightships and other vessels of the Coast Guard.

SEC. 2. Under regulations prescribed by the Secretary of the Treasury, the Coast Guard may prescribe the hours of duty and the pay of civilian keepers of lighthouses and civilians employed on lightships and other vessels of the Coast Guard, but such personnel may be called upon for duty in emergency circumstances or otherwise at any time or all times. The existing system governing the pay of such employees may be continued or changed except that overtime compensation, night differential, and extra pay for duty on holidays shall not be paid to such employees. In lieu thereof additional annual compensation may be authorized, which may be prescribed either as a fixed differential or as a percentage of the basic compensation otherwise applicable to such employees. In no case shall basic compensation exceed \$3,750 per annum, except that nothing contained in this Act shall operate to decrease the basic compensation of any person employed by the Coast Guard on the date of enactment of this Act, and in no case shall additions thereto exceed 25 per centum of such basic compensation. Provision may be made for compensatory absence from duty when conditions of employment result in confinement because of isolation or in long periods of continuous duty; and provisions may likewise be made for extra allowance for service outside of the continental limits of the United States.
