Departments of  
Army, Navy, and Air  
Force.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the first section of the Act entitled "An Act to authorize the creation of additional positions in the professional and scientific service in the War and Navy Departments", approved August 1, 1947, as amended, is hereby amended to read as follows:

"That (a) the Secretary of the Army, the Secretary of the Navy, and the Secretary of the Air Force are respectively authorized to establish and fix the compensation for, within their respective departments, not more than thirteen positions each, and the Secretary of Defense is authorized to establish and fix the compensation for not

more than six positions, each such position being established to effectuate those research and development functions, relating to the national defense, military and naval medicine, and any and all other activities of the National Military Establishment which requires the services of specially qualified scientific or professional personnel.

“(b) The Chairman of the National Advisory Committee for Aeronautics is authorized to establish and fix the compensation for, in the headquarters and research stations of the National Advisory Committee for Aeronautics, not to exceed ten positions in the professional and scientific service, each such position being established in order to enable the National Advisory Committee for Aeronautics to secure and retain the services of specially qualified personnel necessary in the discharge of the duty of the committee to supervise and direct the scientific study of the problems of flight with a view to their practical solution.

“(c) The rates of compensation for positions established pursuant to the provisions of this Act shall not be less than \$10,000 per annum nor more than \$15,000 per annum and shall be subject to the approval of the Civil Service Commission.”

SEC. 2. Section 3 of such Act of August 1, 1947, as amended, is hereby amended to read as follows:

“SEC. 3. The Secretary of Defense and the Chairman of the National Advisory Committee for Aeronautics shall submit to the Congress, not later than December 31 of each year, a report setting forth the number of positions established pursuant to this Act in the National Military Establishment and in the headquarters and research stations of the National Advisory Committee for Aeronautics, respectively, during that calendar year, and the name, rate of compensation, and description of the qualifications of each incumbent, together with a statement of the functions performed by each. In any instance where the Secretary or the Chairman, respectively, may consider full public report on these items detrimental to the national security, he is authorized to omit such items from his annual report and, in lieu thereof, to present such information in executive sessions of such committees of the Senate and House of Representatives as the presiding officers of those bodies shall designate.”

Approved July 13, 1949.
