

No such determination of the Secretary of the Interior shall become effective until the expiration of sixty days after it has been submitted to the Committee on Interior and Insular Affairs of the Senate and the Committee on Public Lands of the House of Representatives. The term "rehabilitation and betterment", as used in this Act, shall mean maintenance, including replacements, which cannot be financed currently, as otherwise contemplated by the Federal reclamation laws in the case of operation and maintenance costs, but shall not include construction, the costs of which are returnable, in whole or in part, through "construction charges" as that term is defined in section 2 (d) of the Reclamation Project Act of 1939 (53 Stat. 1187). Such rehabilitation and betterment work may be performed by contract, by force-account, or, notwithstanding any other law and subject only to such reasonable terms and conditions as the Secretary of the Interior shall deem appropriate for the protection of the United States, by contract entered into with the organization concerned whereby such organization shall perform such work.
