note.

Federal-Aid Highway Act of 1944 approved December 20, 1944 (58 Stat. 838), as amended and supplemented by the Federal Aid Highway Act of 1948 (62 Stat. 1105), there is hereby authorized to be appropriated the sum of \$500,000,000 for the fiscal year ending June 30, 1952, and a like sum for the fiscal year ending June 30, 1953.

The sum herein authorized for each fiscal year shall be available for expenditure as follows:

(a) \$225,000,000 for projects on the Federal-aid highway system.

(b) \$150,000,000 for projects on the Federal-aid secondary highway system or as may hereafter be added to such system in accordance with the provisions of paragraph (b) of section 3 of the Federal Aid Highway Act of 1944 (58 Stat. 838), as amended and supplemented by the Federal Aid Highway Act of 1948 (62 Stat. 1105): *Provided*, That such funds shall be expended on the secondary and feeder roads, farm-to-market roads, rural mail routes, public school bus routes, local rural roads, county roads, township roads, and roads of the county-road class, with types of construction that can be maintained at reasonable cost to provide all-weather service, and the projects for construction shall be selected and the specifications with respect thereto shall be determined by the State highway department and the appropriate local officials in cooperation with each other. This provision shall not be construed to modify any of the other provisions of paragraph (b) of section 3 of the Federal Aid Highway Act of 1944 (58 Stat. 838), as amended by the Federal Aid Highway Act of 1948 (62 Stat. 1105).

(c) \$125,000,000 for projects on the Federal-aid-highway system in urban areas.

The said sums respectively, for any fiscal year, shall be apportioned among the several States in the manner now provided by law and in accordance with the formulas set forth in section 4 of the Federal-Aid Highway Act of 1944 approved December 20, 1944: *Provided*, That the census figures used in making said apportionments shall be those shown by the latest available Federal census.

Any sums apportioned to any State under the provisions of this section shall be available for expenditure in that State for two fiscal years after the close of the fiscal year for which such sums are authorized, and any amount so apportioned remaining unexpended at the end of such period shall lapse: *Provided*, That such funds for any fiscal year shall be deemed to have been expended if a sum equal to the total of the sums apportioned to the State for such fiscal year is covered by formal agreements with the Commissioner of Public Roads for the improvement of specific projects as provided by this Act.

SEC. 2. Any State desiring to avail itself of the benefits of the funds apportioned for expenditure on the Federal-aid secondary highway system shall establish in its State highway department within six months after the close of the next regular session of its legislature, a secondary road unit and such department shall be suitably organized to discharge to the satisfaction of the Secretary of Commerce, the duties herein required: *Provided*, That any State highway department may arrange with any county or group of counties having competent highway engineering personnel, suitably organized and equipped to the satisfaction of the State highway department, to supervise construction and maintenance on a county-unit or group-unit basis for the construction and maintenance of secondary road projects: *Provided further*, That the term "county" as used in this section shall be construed to include corresponding units of government under any other name in States which do not have county organizations, and likewise in those States in which the county government does not have jurisdiction over highways it may be construed to mean any local governmental unit vested with jurisdiction over local highways.

June 30, 1952, to be available until expended, to enable the United States to cooperate with the Governments of the American Republics situated in Central America—that is, with the Governments of the Republics of Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, and Panama—in the survey and construction of the Inter-American Highway within the borders of the aforesaid Republics, respectively. Not to exceed \$2,000,000 of the appropriation hereinabove authorized for each fiscal year may be expended without requiring the country or countries in which such sums may be expended to match any part thereof, if the Secretary of State shall find that the cost of constructing said highway in such country or countries will be beyond their reasonable capacity to bear. The remainder of such authorized appropriations shall be available for expenditure only when matched to the extent required by this Act by the country in which such expenditure may be made. Expenditures from the sums available on a matching basis shall not be made for the survey and construction of any portion of said highway within the borders of any country named herein unless such country shall provide and make available for expenditure in conjunction therewith a sum equal to at least one-third of the expenditures that may be incurred by that Government and the United States on such portion of the highway. All expenditures by the United States under the provisions of this Act for material, equipment, and supplies shall, whenever practicable, be made for products of the United States or of the country in which such survey or construction work is being carried on. Construction work to be performed under contract shall be advertised for a reasonable period by the Minister of Public Works, or other similar official, of the government concerned in each of the participating countries and contracts shall be awarded pursuant to such advertisements with the approval of the Secretary of Commerce of the United States. No part of the appropriations herein authorized shall be available for obligation or expenditure for work on said highway in any cooperating country unless the government of said country shall have assented to the provisions of this Act; shall have furnished satisfactory assurances that it has an organization adequately qualified to administer the functions required of such country under the provisions hereof; and then only as such country may submit requests, from time to time, for the construction of any portion of the highway to standards adequate to meet present and future traffic needs: *Provided*, That no part of said appropriations shall be available for obligation or expenditure in any such country until the government of that country shall have entered into an agreement with the United States which shall provide, in part, that said country—

Agreement with
United States.

“(1) will provide, without participation of funds herein authorized, all necessary right-of-way for the construction of said highway, which right-of-way shall be of a minimum width where practicable of one hundred meters in rural areas and fifty meters in municipalities and shall forever be held inviolate as a part of the highway for public use;

“(2) will not impose any highway toll, or permit any such toll to be charged, for use by vehicles or persons of any portion of said highway constructed under the provisions of this Act;

“(3) will not levy or assess, directly or indirectly, any fee, tax, or other charge for the use of said highway by vehicles or persons from the United States that does not apply equally to vehicles or persons of such country;

“(4) will continue to grant reciprocal recognition of vehicle registration and drivers' licenses in accordance with the provisions of the Convention for the Regulation of Inter-American Automot-

tive Traffic, which was opened for signature at the Pan American Union in Washington on December 15, 1943, and to which such country and the United States are parties, or of any other treaty or international convention establishing similar reciprocal recognition; and

“(5) will provide for the maintenance of said highway after its completion in condition adequately to serve the needs of present and future traffic.”

SEC. 12. For the purpose of carrying out the provisions of section 6 of the Defense Highway Act of 1941 (55 Stat. 765) as amended, there is hereby authorized to be appropriated the sum of \$10,000,000, to remain available until expended: *Provided*, That \$2,000,000 of the sum authorized by this section shall be available for contract immediately upon the passage of this Act: *Provided further*, That the roads authorized to be constructed under this section shall be certified to the Secretary of Commerce as important to the national defense by the Secretary of Defense or such other official as the President may designate.

SEC. 13. Any State highway department which submits plans for a Federal-aid highway project involving the bypassing of any city or town shall certify to the Commissioner of Public Roads that it has had public hearings and considered the economic effects of such a location.

SEC. 14. The Commissioner of Public Roads is authorized and directed to assist in carrying out the action program of the President's Highway Safety Conference and to cooperate with the State highway departments and other agencies in this program to advance the cause of safety on the streets and highways: *Provided*, That not to exceed \$75,000 shall be expended annually for the purposes of this section.

SEC. 15. All provisions of the Federal-Aid Highway Act of 1944, approved December 20, 1944 (58 Stat. 838), and the provisions of the Federal-Aid Highway Act of 1948, approved June 29, 1948 (62 Stat. 1105), not inconsistent with this Act, shall remain in full force and effect.

SEC. 16. The Secretary is authorized to delegate to the Commissioner of Public Roads any authority vested in him by this Act.

SEC. 17. If any section, subsection, or other provisions of this Act or the application thereof to any person or circumstance is held invalid, the remainder of this Act and the application of such section, subsection, or other provision to other persons or circumstances shall not be affected thereby.

SEC. 18. That all Acts or parts of Acts in any way inconsistent with the provisions of this Act are hereby repealed, and this Act shall take effect on its passage.

SEC. 19. This Act may be cited as the “Federal-Aid Highway Act of 1950”.

Approved September 7, 1950.
