

Library of Congress Releases Subclass KIR, Indigenous Law of Brazil

March 4, 2022

New Subclass KIR

The classification range KIR1-6000, Indigenous Law of Brazil, is a new Subclass of Law, which has been developed at the Library of Congress. The new range appears in Classification Web and is approved for use.

Revision Procedures

Proposals for additions and changes to Subclass KIR are now being accepted through the proposal system in Classification Web following normal procedures.

Questions or comments about Subclass KIR should be directed to Libby Dechman (edec@loc.gov) in the Policy, Training, and Cooperative Programs division (PTCP).
