GENRE/FORM TERMS

Fourth of July speeches

From the evidence provided in the record, it was unclear that speeches given on the Fourth of July are a regularly performed act or that there is some type of format that the speeches follow. The introduction of LCGFT informs us to establish headings of "resources that share known conventions." The heading is not approved.

Sifre limud yomi

The record did not provide evidence that this is a broadly used term that covers a category of resources. It is suggested that the cataloger consult more reference sources. The proposal may be resubmitted.
