	Entities > Work > commentary on item
Guidance	LC/PCC practice: Record this element using a structured description, identifier, IRI, or valid combination thereof. Do not use an unstructured description. In MARC bibliographic records, always use a structured description. This element may be recorded in a note field or in a 787 linking entry field. LCC/PCC practice for authorized access point for item does not permit the creation of authorized access points for items. This element is not recorded in authority records. Use "Commentary on" as the relationship designator in subfield $i and if a relationship URI is recorded in subfield $4, use the unconstrained URI for "is commentary on" from the RDA Registry: http://rdaregistry.info/Elements/u/P60298. Optionally, include an identifier in subfield $0 and/or an IRI for a real-world object in subfield $1.
