RULES OF APPLICATION

Letters Which May Be Romanized in Different Ways Depending on Their Context

1. When a *hamzah* appears as part of the vowel ا (ä), و (ö), و (ü), or ا (i), it is not romanized separately. When a high *hamzah* (ء) appears with any other letter at the beginning of a word, it is romanized as alif (').

är	ار
özi	وزى
üşinši	وشنشى
ïlim	يلم
but	
'malim	مالم
'soz	سوز
'tubir	تؤبىر
'tili	تلى

2. Romanize foreign words that occur in a Kazakh context and are written in Kazakh letters according to these rules for romanizing Kazakh.

evfemyzm	هؤفه ميزم
----------	-----------

3. Follow the rules for the capitalization of English.
