"Old Powder Horn" magazine at Williamsburg, Va., Library of Congress Prints and Photographs Division, accessed November 21, 2024, <https://www.loc.gov/pictures/item/2018664049/>

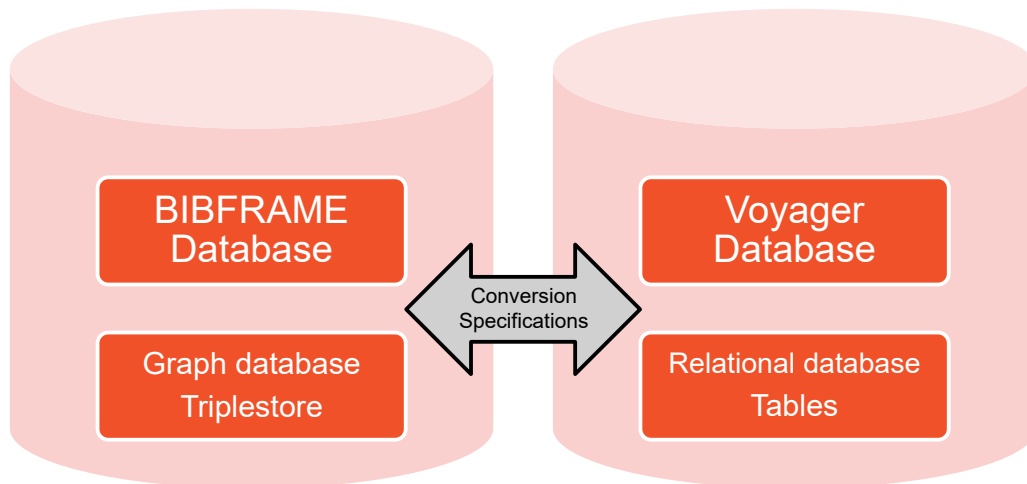

1

Learning Objectives

- To run searches in the BIBFRAME database (BFDB)
- To understand the differences between BIBFRAME Works and Instances and how they are displayed in BFDB
- To understand how metadata descriptions move between BFDB and Marva Quartz

2

A Tale of Two Databases

Moving Data from Voyager to BFDB

1. Loading in bulk
2. Working at night
3. Three-minute sync
4. On demand with macros

editor.id.loc.gov

BF Prod Links

This "quartz" version of Marva is the updated editor for the BF Prod 2024- project.

- Marva Production
- Marva Staging

BF 100 Links

This classic version of Marva was used in the BF Pilot 2021- project.

- Marva Production
- Marva Staging

BFDB/ID Links

Bibframe Database application and the ID application both use the same database.

- Production BFDB
- Staging BFDB
- Production ID
- Staging ID
