

Literals

Lesson 8

Howard Liberman, "Office equipment used by the War Production Board (WPB). Transcription automatic typewriter unit for the WPB correspondence. These machines in operation are some of the twenty dictator transcribing machines. This unit turns out almost 4,000 letters weekly." Library of Congress Prints and Photographs Division, accessed December 6, 2024, <https://www.loc.gov/pictures/item/2017693417/>

1

Learning Objectives

- To identify fields that require literals
- To learn how to
 - Enter transcribed or unstructured data
 - Add fields
 - Delete data and fields
 - Specify the language and script of a field

2
