

ceed, on the second Tuesday after the commencement and organization of its session, to elect a person to fill such vacancy, in the manner hereinbefore provided for the election of a senator for a full term; and if a vacancy shall happen during the session of the legislature, then on the second Tuesday after the legislature shall have been organized and shall have notice of such vacancy.

Certificate of election of senator to be certified to the president of the senate.

SEC. 3. *And be it further enacted,* That it shall be the duty of the governor of the State from which any senator shall have been chosen as aforesaid to certify his election, under the seal of the State, to the President of the senate of the United States, which certificate shall be countersigned by the secretary of state of the State.

APPROVED, July 25, 1866.

July 25, 1866. CHAP. CCXLVI. — *An Act to authorize the Construction of certain Bridges, and to establish them as Post Roads.*

Bridge may be built across the Mississippi River at Quincy, Illinois, and railroad tracks laid thereon.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That it shall be lawful for any person or persons, company or corporation, having authority from the States of Illinois and Missouri for such purpose, to build a bridge across the Mississippi River at Quincy, Illinois, and to lay on and over said bridge railway tracks, for the more perfect connection of any railroads that are or shall be constructed to the said river at or opposite said point, and that when constructed all trains of all roads terminating at said river, at or opposite said point, shall be allowed to cross said bridge for reasonable compensation; to be made to the owners of said bridge, under the limitations and conditions hereinafter provided. And in case of any litigation arising from any obstruction or alleged obstruction to the free navigation of said river, the cause may be tried before the district court of the United States of any State in which any portion of said obstruction or bridge touches.

Trains may cross for compensation.

Question of obstruction to navigation may be tried where.

Bridge may be built with draw or unbroken spans.

Height, if made with unbroken spans.

SEC. 2. *And be it further enacted,* That any bridge built under the provisions of this act may, at the option of the company building the same, be built as a drawbridge, with a pivot or other form of draw, or with unbroken or continuous spans: *Provided,* That if the said bridge shall be made with unbroken and continuous spans, it shall not be of less elevation in any case than fifty feet above extreme high-water mark, as understood at the point of location, to the bottom chord of the bridge, nor shall the spans of said bridge be less than two hundred and fifty feet in length, and the piers of said bridge shall be parallel with the current of the river, and the main span shall be over the main channel of the river and not less than three hundred feet in length: *And provided also,* That if any bridge built under this act shall be constructed as a drawbridge, the same shall be constructed as a pivot drawbridge with a draw over the main channel of the river at an accessible and navigable point, and with spans of not less than one hundred and sixty feet in length in the clear on each side of the central or pivot pier of the draw, and the next adjoining spans to the draw shall not be less than two hundred and fifty feet; and said spans shall not be less than thirty feet above low-water mark, and not less than ten above extreme high-water mark, measuring to the bottom chord of the bridge, and the piers of said bridge shall be parallel with the current of the river: *And provided also,* That said draw shall be opened promptly upon reasonable signal for the passage of boats, whose construction shall not be such as to admit of their passage under the permanent spans of said bridge, except when trains are passing over the same; but in no case shall unnecessary delay occur in opening the said draw during or after the passage of trains.

Length of spans.

Pivot draw-bridge, with draw over main channel, and spans, &c.

Draw to be opened promptly, except, &c.

Bridges constructed according to this act to

SEC. 3. *And be it further enacted,* That any bridge constructed under this act, and according to its limitations, shall be a lawful structure, and

shall be recognized and known as a post route ; upon which, also, no higher charge shall be made for the transmission over the same of the mails, the troops, and the munitions of war of the United States, than the rate per mile paid for their transportation over the railroads or public highways leading to the said bridge.

be lawful structures and post routes.  
Rates of toll.

SEC. 4. *And be it further enacted,* That it shall be lawful for the Chicago, Burlington, and Quincy Railroad Company, a corporation whose road has been completed to the Mississippi River, and connects with a railroad on the opposite side thereof, having first obtained authority therefor from the States of Illinois and Iowa, to construct a railroad bridge across said river, upon the same terms, in the same manner, under the same restrictions, and with the same privileges, as is provided for in this act in relation to the bridge at Quincy, Illinois.

Chicago, Burlington, and Quincy Railroad Company may build a railroad bridge across the Mississippi, if, &c.

SEC. 5. *And be it further enacted,* That a bridge may be constructed at the town of Hannibal, in the State of Missouri, across the Mississippi River, so as to connect the Hannibal and Saint Joseph Railroad with the Pike County and Great Western railroads of Illinois, on the same terms and subject to the same restrictions as contained in this act for the construction of the bridge at Quincy, Illinois.

Bridge may be built across the river at Hannibal, Missouri;

SEC. 6. *And be it further enacted,* That a bridge may be constructed across the Mississippi River between Prairie du Chien, in the State of Wisconsin, and North McGregor, in the State of Iowa, with the consent of the legislatures of Wisconsin and Iowa, on the same terms and subject to the same restrictions as are contained in this act for the construction of the bridge at Quincy, Illinois.

between Prairie du Chien and North McGregor;

SEC. 7. *And be it further enacted,* That the Keokuk and Hamilton Mississippi Bridge Company, a corporation existing under the laws of the State of Iowa, and the Hancock County Bridge Company, a corporation existing under the laws of the State of Illinois, be and are hereby authorized to construct and maintain a bridge over the Mississippi River between Keokuk, Iowa, and Hamilton, Illinois, of the same character, description, and construction as provided in this act for the bridges at Quincy and Burlington ; and the said bridge, in its use and operation, shall be subject to the same restrictions that apply to said bridges at Quincy and Burlington by the terms of this act.

between Keokuk and Hamilton;

SEC. 8. *And be it further enacted,* That the Winona and Saint Peter Railroad Company, a corporation existing under the laws of the State of Minnesota, is hereby authorized to construct and operate a railroad bridge across the Mississippi River between the city of Winona, in the State of Minnesota, and the opposite bank of the said river, in the State of Wisconsin, with the consent of the legislatures of the States of Minnesota and Wisconsin ; and said bridge by this section authorized is hereby declared a post route, and subject to all the terms, restrictions, and requirements contained in the foregoing sections of this act.

between Winona and opposite bank of river, if, &c. ;

this bridge made a post road ;

SEC. 9. *And be it further enacted,* That a bridge may be constructed and maintained across the Mississippi River, between Dunleith, in the State of Illinois, and Dubuque, in the State of Iowa, with the consent of said States previously given or hereafter acquired, with the same privileges, upon the same terms, and under the same restrictions as are contained in this act for the construction of a bridge at Quincy, Illinois.

between Dunleith and Dubuque, if, &c. ;

SEC. 10. *And be it further enacted,* That any company authorized by the legislature of Missouri may construct a bridge across the Missouri River, at the city of Kansas, upon the same terms and conditions provided for in this act.

at the city of Kansas ;

SEC. 11. *And be it further enacted,* That the " Saint Louis and Illinois Bridge Company," a corporation organized under an act of the general assembly of the State of Missouri, approved February fifth, eighteen hundred and sixty-four, and an act amendatory of the same, approved February twentieth, eighteen hundred and sixty-five, and also confirmed

between the city of Saint Louis and East Saint Louis.

in its corporate powers under an act of the legislature of the State of Illinois, approved eighteen hundred and sixty-four, or any other bridge company organized under the laws of Missouri and Illinois, be, and the same is hereby, empowered to erect, maintain, and operate a bridge across the Mississippi River, between the city of Saint Louis, in the State of Missouri, and the city of East Saint Louis, in the State of Illinois, subject to all the conditions contained in said act of incorporation and amendments thereto, and not inconsistent with the following terms and provisions contained in this act. And in case of any litigation arising from any obstruction or alleged obstruction to the free navigation of said waters, the cause may be tried before the district court of the United States of any State in which any portion of said obstruction or bridge touches.

Question of obstruction, where may be tried.

Bridge to be built with unbroken spans.

Conditions. Height and length of spans.

SEC. 12. *And be it further enacted*, That the bridge authorized by the preceding section to be built shall not be a suspension bridge, or draw-bridge, with pivot or other form of draw, but shall be constructed with continuous or unbroken spans, and subject to these conditions: First, that the lowest part of the bridge or bottom chord shall not be less than fifty feet above the city directrix at its greatest span. Second, that it shall have at least one span five hundred feet in the clear, or two spans of three hundred and fifty feet in the clear of abutments. If the two latter spans be used, the one over the main steamboat channel shall be fifty feet above the city directrix, measured to the lowest part of the bridge at the centre of the span. Third, no span over the water at low-water mark, shall be less than two hundred feet in the clear of abutments.

Act may be altered, &c.

SEC. 13. *And be it further enacted*, That the right to alter or amend this act, so as to prevent or remove all material obstructions to the navigation of said river by the construction of bridges, is hereby expressly reserved.

APPROVED, July 25, 1866.

CHAP. CCXLVII. — *An Act to authorize W. J. Sibley and others, Trustees, to sell and convey Lot Number nine, in Square Number Seventy-six, in the City of Washington.*

Preamble.

Whereas lot number nine, in said square number seventy-six, in the said city of Washington, was conveyed by J. H. M'Blair to W. J. Sibley, Ro. Ricketts, R. W. Bates, R. L. Sanders, Benjamin M'Coy, and G. Spoarder, in trust, to erect thereon a place of worship for the use of the people of color, members of the Methodist Episcopal Church in the United States; and whereas the said trustees have not had the means of erecting such church, and the purpose has been abandoned, and another church, called the Asbury Chapel, has been erected in or near the neighborhood of the said lot, which the said trustees desire to sell, and apply the proceeds to the benefit of the congregation worshipping in said Asbury Chapel, a purpose which the said J. H. M'Blair, as far as he had any interest therein, has approved by his subsequent deed made to the said trustees: therefore,

Trustees may sell lot number nine, square seventy-six.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That the said W. J. Sibley, Ro. Ricketts, R. W. Bates, R. L. Sanders, Benjamin M'Coy, and G. Spoarder, trustees of the said lot above mentioned, or the survivors of them, be, and they are hereby, authorized and empowered to sell and convey the said lot number nine, in square number seventy-six, in the said city of Washington, for such price as they shall think proper, or to confirm and carry out any contract for sale already made by them with any person, and to convey the same accordingly, freed and discharged of the trust upon which the same was originally conveyed to them, and to apply the proceeds of sale to the benefit of the congregation worshipping in the said Asbury Chapel, as the proper and legal authority thereof may deem expedient, and for no other purpose whatever.

Proceeds of sale, how applied.

APPROVED, July 25, 1866.
