Feb. 4, 1874.

**CHAP. 22.**—An act in relation to the lines of telegraph connecting the Capitol with the various Departments of the Government.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the lines of telegraph, connecting the Capitol with the various Departments in Washington, constructed under and by virtue of the act of Congress approved March third, eighteen hundred and seventy-three, entitled "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and seventy-four, and for other purposes," be, and the same are hereby, placed under the supervision of the officer in charge of the public buildings and grounds; and that the said officer be authorized and empowered to make rules and regulations for the working of said lines. And the Secretary or Head of each Executive Department, and the Congressional Printer, are hereby authorized to detail one person from their present force of employees to operate the instruments in said Departments and printing office, and each House of Congress may provide for the employment of an operator in their respective wings of the Capitol, at a compensation not exceeding one hundred dollars per month, during the sessions of Congress.

Approved, February 4, 1874.
