CHAP. 1123.—An Act Allowing the construction of a dam across the Saint Lawrence River.

Preamble.

Whereas it is represented that the government of the Dominion of Canada, with a view of improving the navigation of the channel excavated through the rapids at the head of Les Galops Island, in the Saint Lawrence River, proposes to construct a dam from Adams Island, in Canadian territory, to Les Galops Island, in United States territory; and

Whereas the consent of the United States to the construction of that part of the work which will be upon United States territory is desired: Therefore,

Saint Lawrence River.

Canadian government may dam, at Les Galops Island.

Proviso. Protecting water level of Lake Ontario, etc.

Secretary of War to approve plans, etc.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That consent is hereby given for the construction of the portion of the aforesaid dam which crosses or abuts upon the territory of the United States: *Provided,* That the type of the proposed dam and the plans of construction and operation thereof shall be such as will not, in the judgment of the Secretary of War, materially affect the water level of Lake Ontario or the Saint Lawrence River or cause any other injury to the interests of the United States or any citizen thereof: *And provided further,* That the work of construction on United States territory shall not be commenced until plans and details of the work shall have been submitted to and approved by the Secretary of War.
