CHAP. 2072.—An Act Permitting the building of dams across the north and south branches of Rock River, adjacent to Vandruffs Island and Carrs Island, and across the cut-off between said islands, in Rock Island County, Illinois, in aid of navigation and for the development of water power.

May 1, 1906.
[H. R. 14508.]

[Public, No. 137.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of Congress is hereby granted to Samuel S. Davis, of the city of Rock Island, in the county of Rock Island and State of Illinois, his heirs, executors, administrators, and assigns, to build, operate, and maintain dams across the north and the south branches or channels of Rock River adjacent to Vandruffs Island and to Carrs Island, and across the cut-off between said islands, in said county of Rock Island, State of Illinois, in aid of navigation and for the development of water power, together with such works and structures in connection therewith as may be necessary or convenient in the development of said power and the utilization of the power thereby developed; said dams may be built at or near the sites of the dams formerly existing across said branches and said cut-off, or at any place or places between said sites and the dams now constructed at or near the head of said Carrs Island for the purposes of the Illinois and Mississippi Canal, and the said Samuel S. Davis, his heirs, executors, administrators, and assigns are hereby authorized and empowered to draw and divert by canal, flume, or race, or canals, flumes, and races, from the pool formed by the construction of said dams and works incident thereto, such supply of water as may be required for the full and complete development and utilization of said water power, and to discharge the same into said Rock River or some branch or channel thereof at or near the lower part of said Vandruffs Island, or at some place or places on or near the north shore of said river or of the north branch or channel thereof opposite to or below said Vandruffs Island; and also for that purpose to construct, operate, and maintain such structures and improvements as may be necessary or convenient: *Provided*, That such dams shall not be built or commenced until the plans and specifications for their construction, together with such drawings of the proposed construction and such map of the proposed locations as may be required for a full understanding of the subject, have been submitted to the Secretary of War for his approval, or until he shall have approved such plans and specifications and the location of such dams and accessory works; and when the plans
