

Disposal of agricultural lands.

Use of proceeds.

any part thereof for purposes other than that for which granted, except upon consent of the Secretary of the Interior, as hereinafter provided, the same shall revert to the United States. If it shall be made to appear to the satisfaction of the Secretary that any tract or tracts of the land hereby granted are better suited for agricultural than for forestry purposes, or by reason of their isolation are not available for forest reserve purposes, he may by order consent to the sale of such tract or tracts by the State of Wisconsin upon condition that the proceeds of such sale shall be used by the said State in the reforestation of the permanent forest reserves established by said State, and that in event the lands hereby granted shall revert to the United States the said State will account for all such moneys and will pay over to the United States all sums derived from the sales of these lands and not actually used in reforestation.
