CHAP. 2280.—An Act To provide for the better registration of births in the District of Columbia, and for other purposes.

[Public, No. 149.]

District of Columbia.
Registration of
births.
Report required
from physician, mid-
wife, etc.
Blanks.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That any physician or midwife who attends at the birth of any child within the District of Columbia, and any person whosoever who, in the absence of a physician or midwife, performs any of the offices usually rendered by such shall execute or cause to be executed and shall file with the health officer of said District not later than the Saturday first ensuing after the expiration of three secular days immediately following the date of such birth a proper report thereof, written in ink, on a blank furnished by said health officer, embodying all such data as may be necessary for the purposes of the Bureau of the Census of the Department of Commerce and Labor, and such other data, if any, as the Commissioners of said District deem needful. So far as relates to any data aforesaid not based upon the personal observation of the physician, midwife, or other person by whom report is made, every such report shall show the name and address of the informant and the relationship of said informant to the child born: *Provided, however,* That if the child born be illegitimate it shall in no case be necessary for any physician, midwife, or other person to indicate on any report required by this Act any fact or facts whereby the identity of the father or of the mother or of the child born will be disclosed: *And provided further,* That no report need be made of stillbirths when the fetus delivered has apparently not passed the fifth month of utero-gestation. Upon receipt of any report aforesaid, said health officer shall forward to the father of the child, or, if his address be unknown, to the mother, an acknowledgment of the receipt of such report, and if the infant delivered be not stillborn, and such report does not contain the given name of the child born, a blank form on which the father or mother may certify over his or her signature the name of such child, which form, if thus executed and returned to said health officer within three months next following the date of birth, shall be a part of the official record of such birth.
