That section six of an Act authorizing the Winnipeg, Yankton and Gulf Railroad Company to construct a combined railroad, wagon, and foot-passenger bridge across the Missouri River at or near the city of Yankton, South Dakota, approved April fifth, nineteen hundred and four, as amended by the Act approved February nineteenth, nineteen hundred and seven, be, and the same is hereby, so amended that the time within which the said bridge is required to be commenced shall be within one year and the time within which it is required that the said bridge shall be completed shall be within three years from the date of the approval of this Act.

Missouri River.  
Time extended for  
bridging, by Winne-  
peg, Yankton and  
Gulf Railroad Com-  
pany, at Yankton, S.  
Dak.  
Vol. 33, p. 157.  
Vol. 34, p. 897,  
amended.  
Post, p. 658.

That the Rock River Traction Company, a corporation organized under the laws of the State of Illinois, its successors and assigns, be, and they are hereby, authorized to construct a bridge across Rock River at a point between the first section line south of the Colona Ferry (the section line between sections nine and ten, township seventeen north, range one east) and the first section line east of the Cleveland Ferry

Rock River, Ill.  
Rock River Traction  
Company may bridge.

Location.

(the section line between sections twenty-nine and thirty, township eighteen north, range two east), said bridge to be built across Rock River between the counties of Henry and Rock Island, in the State of Illinois.

Rainy River, Minn.  
Time extended for  
bridging, by Interna-  
tional Bridge and Ter-  
minal Company.

That the Act of Congress entitled "An Act to provide for the construction of a bridge across Rainy River, in the State of Minnesota," approved February seventh, nineteen hundred and three, is hereby revived and reenacted.

That section six of the aforesaid Act is hereby amended to read as follows:

Time of construc-  
tion.  
Vol. 32, p. 802,  
amended.

"SEC. 6. That this Act shall be null and void if actual construction of the bridge herein authorized be not commenced within one year and completed within three years from July first, nineteen hundred and eight; and that the construction shall not be commenced until the Government of the Dominion of Canada has authorized the construction and maintenance of that part of said bridge which shall occupy that portion of the river which is under the jurisdiction of said Dominion government."

Construction within  
Canadian jurisdic-  
tion.

Red Lake River.  
Highlanding, Minn.,  
may bridge.

That the board of supervisors of the town of Highlanding, Red Lake County, Minnesota, be, and they are hereby, authorized to construct, maintain, and operate a highway bridge and approaches thereto across the Red Lake River on the section line between sections twenty-nine and thirty, township one hundred and fifty-three north, range forty west, in the State of Minnesota.

Location.

Mississippi River.  
Bemidji, Minn., may  
bridge.

That the city of Bemidji, a corporation organized under the laws of the State of Minnesota, its successors and assigns, be, and they are hereby, authorized to construct, maintain, and operate a highway bridge and approaches thereto across the Mississippi River, at section sixteen, township one hundred and forty-six, range thirty-three, in the State of Minnesota.

Location.

Bayou D'Arbonne,  
La.

Vol. 34, p. 84.

SEC. 3. That the right to alter, amend, or repeal this Act is hereby expressly reserved.

Amendment.

Approved, May 20, 1908.

**CHAP. 181.**—An Act To authorize the drainage of certain lands in the State of Minnesota.

May 20, 1908.  
[H. R. 19541.]

[Public, No. 125.]

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That all lands in the State of Minnesota, when subject to entry, and all entered lands for which no final certificates have issued, are hereby made and declared to be subject to all of the provisions of the laws of said State relating to the drainage of swamp or overflowed lands for agricultural purposes to the same extent and in the same manner in which lands of a like character held in private ownership are or may be subject to said laws: *Provided*, That the United States and all persons legally holding unpatented lands under entries made under the public-land laws of the United States are accorded all the rights, privileges, and benefits given by said laws to persons holding lands of a like character in private ownership.

Public lands.  
In Minnesota sub-  
ject to State drainage  
laws.

*Proviso.*  
Rights, etc., to be  
accorded.

SEC. 2. That the cost of constructing canals, ditches, and other drainage works incurred in connection with any drainage project under said laws shall be equitably apportioned among all lands held in private ownership, all lands covered by unpatented entries, and all unentered public lands affected by such project; and officially certified lists showing the amount of the charges assessed against each smallest legal sub-

Apportionment of  
cost.

Certified lists of as-  
sessed charges.
