CHAP. 108.—Joint Resolution Authorizing the granting of permits to the Committee on Inaugural Ceremonies on the occasion of the inauguration of the President elect in March, 1929, and for other purposes.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Director of Public Buildings and Public Parks of the National Capital is hereby authorized to grant permits, under such restrictions as he may deem necessary, to the Committee on Inaugural Ceremonies for the use of any reservations or other public spaces in the city of Washington under his control on the occasion of the inauguration of the President elect in March, 1929: *Provided,* That in his opinion no serious or permanent injuries will be thereby inflicted upon such reservations or public spaces or statuary thereon; and the Commissioners of the District of Columbia may designate for such and other purposes on the occasion aforesaid such streets, avenues, and sidewalks in said city of Washington under their control as they may deem proper and necessary: *Provided, however,* That all stands or platforms that may be erected on the public spaces aforesaid, including such as may be erected in connection with the display of fireworks, shall be under the supervision of the said inaugural committee, and in accordance with the plans and designs to be approved by the Engineer Commissioner of the District of Columbia, the officer in charge of public buildings and grounds, and the Architect of the United States Capitol: *And provided further,* That the reservations or public spaces occupied by the stands or other structures shall after the inauguration be promptly restored to their condition before such occupation, and that the inaugural committee shall indemnify the War Department for any damage of any kind whatsoever upon such reservations or spaces by reason of such use.

SEC. 2. The Commissioners of the District of Columbia are hereby authorized to permit the committee on illumination of the inaugural committee for said inaugural ceremonies to stretch suitable overhead conductors, with sufficient supports wherever necessary, for the purpose of connecting with the present supply of light for the purpose of effecting the said illumination: *Provided,* That if it shall be necessary to erect wires for illuminating or other purposes over any park or reservation in the District of Columbia the work of erection and removal of said wires shall be under the supervision
