executive secretary shall ex officio act as treasurer of the board and as such shall furnish a bond in the penal sum which shall be fixed by the Commissioners of the District of Columbia. The said board shall adopt such by-laws as it shall deem necessary for carrying into effect the provisions of this Act and may amend such by-laws from time to time at the discretion of said board. The executive secretary shall be required to keep a record of all meetings of the board and also a register of all nurses duly registered or reregistered under this Act, and to furnish a certificate of registration or of reregistration to all such nurses; also to maintain a registry of nurses' training schools in the District of Columbia approved by said board. The board shall hold examinations not less frequently than once a year, and notice of each examination shall be given in one daily newspaper published in Washington and in one nursing journal at least thirty days prior to the examination. The executive secretary shall inspect all recognized schools of nursing in the District of Columbia, and report to said board as to the sufficiency and quality of training afforded by such schools. The executive secretary may be removed by a majority vote of the said board for neglected duty or any just cause.

"SEC. 4. That every nurse desiring to register in the District of Columbia shall make application to the nurses' examining board for examination and registration, and at the time of making such application shall pay to the treasurer of said board \$10. Said applicant must furnish satisfactory evidence that she is over twenty-one years of age, or that she will attain the age of twenty-one years within six months after the date fixed for the necessary examination to be held by said board after the date of such application. Except as otherwise provided in this Act, an applicant shall not be registered unless she has passed an examination by the nurses' examining board. No nurse shall be registered in the District of Columbia who has not attained the age of twenty-one years. Said applicant must also furnish satisfactory evidence of good moral character, and further that she holds a diploma from a training school for nurses which has been registered by the nurses' examining board of the District of Columbia: *Provided, however,* That no training school shall be registered which does not maintain proper educational standards and give not less than two years' training in a general hospital, or in a special hospital with adequate affiliations, all of which shall be determined by the nurses' examining board.

"SEC. 5. That any nurse who is at least twenty-one years of age and of good moral character and who presents satisfactory evidence that she has, prior to July 1, 1924, graduated from a school of nursing connected with a hospital, and that she has been engaged in nursing in the District of Columbia prior to July 1, 1929, shall be entitled to registration without examination upon payment of the registration fee of \$10: *Provided, however,* That application for such registration must be made on or before June 30, 1932.

"SEC. 6. That the nurses' examining board shall register in like manner without examination any graduate or trained nurse registered as a nurse by examination in another State or Territory who holds a diploma from a nurses' training school outside of the District of Columbia which, in the opinion of said board, maintains a standard substantially equivalent to that provided for by this Act.

"SEC. 7. Each nurse who has been registered in the District of Columbia shall be reregistered each year on the 1st day of July upon application to the executive secretary of said board and the payment of a fee of \$1: *Provided,* That such fee of \$1 shall not be payable in case the applicant has been originally registered within the twelve months next preceding the day for reregistration. Application for

reregistration may be made within sixty days preceding the day of reregistration. Registration of any nurse who does not thus apply for reregistration for any year shall be automatically canceled as of the beginning of such year. The by-laws adopted by the nurses' examining board shall define the conditions upon which the registration of a nurse may be restored. Schools of nursing in the District of Columbia may apply to said board for registration and, with the exception of schools of nursing maintained at Government expense, shall pay a fee of \$25 at the time application is made. Each such school registered shall apply each year for reregistration, and, with the exception of schools of nursing maintained at Government expense, at the same time pay a fee of \$1: *Provided further*, That on the petition of any applicant to whom registration or reregistration has been denied by the nurses' examining board, the action of the board may be reviewed by the Supreme Court of the District of Columbia on a writ of certiorari, subject to appeal to the Court of Appeals of the District of Columbia, in the same manner as appeals are taken in similar cases.

"SEC. 8. No person shall file or attempt to file with the nurses' examining board of the District of Columbia any statement, diploma, certificate, credential, or other evidence when she knows, or when she might by reasonable diligence ascertain, that it is false and misleading. The Supreme Court of the District of Columbia, sitting as a court of equity, may suspend or revoke any certificate issued and any registration effected under this Act upon evidence showing to the satisfaction of the court that the registrant has been guilty of misconduct or is professionally incapacitated. Proceedings looking toward the suspension or revocation of a certificate or registration shall be begun by petition filed in the Supreme Court of the District of Columbia in the name of the nurses' examining board, or of the Commissioners of the District of Columbia, or of the major and superintendent of police of said District, and shall be verified by oath. Proceedings shall be conducted by the United States attorney for the District of Columbia according to the ordinary rules of equity practice and such supplementary rules as said court may deem expedient to carry into effect the purpose and intent of this Act. An appeal may be taken from the decision of the Supreme Court of the District of Columbia to the Court of Appeals of said District. Any such appeal on behalf of the Commissioners of the District of Columbia or of the major and superintendent of police of said District may be filed without bond. The Supreme Court of the District of Columbia may determine whether a certificate or registration shall be suspended or be revoked, and if such certificate or registration is to be suspended said court may determine the duration of such suspension and the conditions under which said suspension shall terminate.

"SEC. 9. That all expenses incident to the execution of the provisions of this Act shall be paid from fees collected from schools of nursing and from registration or reregistration of nurses. The executive secretary of said board may receive a salary to be fixed by said board at its annual organization meeting not to exceed the rate of \$200 per month. Each member of the board shall receive a per diem allowance at the rate of \$10 per day for each full day such member is actually engaged in the performance of duties as a member of the board. The payment of such per diem allowance shall be made from any unexpended balance in the treasury of said board remaining on June 30 of the year during which the services have been rendered, and if the unexpended balance is insufficient to meet the total amount of such per diem allowance, the rate of compensation shall be reduced to a rate which will permit payment from
