AN ACT

To promote the conservation of wild life, fish, and game, and for other purposes.

March 10, 1934.
[S. 2529.]

[Public, No. 121.]
Conservation of wild life, fish, and game.
Cooperative promotion of, authorized.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of Agriculture and the Secretary of Commerce are authorized to provide expert assistance to and to cooperate with Federal, State, and other agencies in the rearing, stocking, and increasing the supply of game and fur-bearing animals and fish, in combating diseases, and in developing a Nation-wide program of wild-life conservation and rehabilitation.

Effects of polluting substances.

Studies, reports, etc., to be made.

SEC. 2. The Secretary of Agriculture and the Secretary of Commerce are authorized to make such investigations as they may deem necessary to determine the effects of domestic sewage, trade wastes, and other polluting substances on wild life, with special reference to birds, mammals, fish, and shellfish, and to make reports to the Congress of their investigations with recommendations for remedial measures. Such investigations shall include studies of methods for the recovery of wastes and the collation of data on the progress being made in these fields for the use of Federal, State, municipal, and private agencies.

Uses of impounded waters for fish culture, migratory bird refuges, etc.

SEC. 3. (a) Whenever the Federal Government through the Bureau of Reclamation or otherwise, impounds water for any use, opportunity shall be given to the Bureau of Fisheries and/or the Bureau of Biological Survey to make such uses of the impounded waters for fish-culture stations and migratory-bird resting and nesting areas as are not inconsistent with the primary use of the waters and/or the constitutional rights of the States. In the case of any waters heretofore impounded by the United States, through the Bureau of Reclamation or otherwise, the Bureau of Fisheries and/or the Bureau of Biological Survey may consult with the Bureau of Reclamation or other governmental agency controlling the impounded waters, with a view to securing a greater biological use of the waters not inconsistent with their primary use and/or the constitutional rights of the States and make such proper uses thereof as are not inconsistent with the primary use of the waters and/or the constitutional rights of the States.

Consultation with Fisheries Bureau as to fish conservation before any future dam construction.

(b) Hereafter, whenever any dam is authorized to be constructed, either by the Federal Government itself or by any private agency under Government permit, the Bureau of Fisheries shall be consulted, and before such construction is begun or permit granted, when deemed necessary, due and adequate provision, if economically practicable, shall be made for the migration of fish life from the upper to the lower and from the lower to the upper waters of said dam by means of fish lifts, ladders, or other devices.

Plans for improving wild life resources to be prepared.

SEC. 4. The Office of Indian Affairs, the Bureau of Fisheries, and the Bureau of Biological Survey are authorized, jointly, to prepare plans for the better protection of the wild-life resources, including fish, migratory waterfowl and upland game birds, game animals and fur-bearing animals, upon all the Indian reservations and unallotted Indian lands coming under the supervision of the Federal Government. When such plans have been prepared they shall be promulgated by the Secretary of the Interior, the Secretary of Commerce, and the Secretary of Agriculture, who are authorized to make the necessary regulations for enforcement thereof and from time to time to change, alter, or amend such regulations.

Promulgation and enforcement.

Studies of wild life, etc., resources to be made by designated bureaus.

SEC. 5. The Bureau of Biological Survey and the Bureau of Fisheries are hereby authorized to make surveys of the wild-life resources of the public domain, or of any lands owned or leased by the Government, to conduct such investigations as may be necessary for the development of a program for the maintenance of an adequate supply of wild life in these areas, to establish thereon game farms and fish-cultural stations commensurate with the need for replenishing the supply of game and fur-bearing animals and fish, and, in cooperation with the National Park Service, The Forest Service, or other Federal agencies, the State agencies, to coordinate and establish adequate measures for wild-life control on such game farms and fish-cultural stations: *Provided*, That no such game farm shall hereafter be established in any State without the consent of the legislature of that State.

Cooperation of other agencies.

Proviso.
Consent required.

Land, etc., donations permitted.

SEC. 6. In carrying out the provisions of this Act the Federal agencies charged with its enforcement may cooperate with other Federal agencies and with States, counties, municipalities, individuals, and public and private agencies, organizations, and institutions, and may accept donations of lands, funds, and other aids to the development of the program authorized in this Act: *Provided, however*, That no such donations of land shall be accepted without consent of the legislature of the State in which such land may be situated: *Provided*, That no authority is given in this Act for setting up any additional bureau or division in any department or commission, and shall not authorize any additional appropriation for carrying out its purposes.

Provisos.
Subject to consent of State.
Creating additional bureau, etc., forbidden.

Approved, March 10, 1934.
