*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That the Governor of the Farm Credit Administration, hereinafter in this Act referred to as the "Governor", is hereby authorized to make loans to farmers in the United States (including Alaska, Hawaii, and Puerto Rico), during the year 1935, for fallowing, for the production of crops, for harvesting of crops, and for feed for livestock, or for any of such purposes. Such loans shall be made and collected through such agencies, upon such terms and conditions, and subject to such regulations, as the Governor shall prescribe.

SEC. 2. (a) There shall be required as security for any such loan a first lien, or an agreement to give a first lien, upon all crops of which the production or harvesting, or both, is to be financed, in whole or in part, with the proceeds of such loan; or, in case of any loan for the purchase or production of feed for livestock, a first lien upon the livestock to be fed. Fees for recording, filing, and registering shall not exceed 75 cents per loan and may be deducted from the proceeds of the loan. Each loan shall bear interest at the rate of 5½ per centum per annum. For the purpose of carrying out the provisions of this Act and collecting loans made under other Acts of the same general character, including loans made by the Governor with funds appropriated by the Emergency Appropriation Act, fiscal year 1935, the Governor may use the facilities and services of the Farm Credit Administration and any institution operating under its supervision, or of any officer or officers thereof, and may pay for such services and the use of such facilities from the funds made available for the payment of necessary administrative expenses; and such institutions are hereby expressly empowered to enter into agreements with the Governor for the accomplishment of such purposes.
