[H. R. 6204.]  
[Public, No. 96.]

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That officers of the line of the Navy, upon application, and with the approval of the Secretary of the Navy, may be designated for the performance of aeronautical engineering duty only. The President of the United States is hereby authorized, by and with the advice and consent of

Navy.  
Assignment of line  
officers, upon request,  
for aeronautical engi-  
neering duty only,  
authorized.

Transfer of Construction Corps officers.

Rank and precedence.

To be carried as additional numbers.

Existing provisions to govern.

the Senate, to transfer and appoint officers of the Construction Corps of the Navy who are applicants to the corresponding rank and grade in the line of the Navy for the performance of aeronautical engineering duty only. Each officer of the Construction Corps so transferred and appointed shall have the lineal position and precedence in the line which he would have held had he remained in the line or had his original appointment been in the line except that no officer shall have his existing relative rank, precedence, or seniority in the Construction Corps altered by such transfer. Any officer of the Construction Corps so transferred and appointed and any line officer designated for the performance of aeronautical engineering duty only shall be carried as an additional number in the grade in which he is serving, and to which he may hereafter be promoted, and, except as otherwise provided in this Act, the performance of duty, succession to command, selection for promotion, examination for promotion, promotion, and retirement of such officers shall be governed by the provisions of existing law and of laws hereafter enacted relating to line officers assigned to engineering duty only.

Approved, June 5, 1935.
