way projects under section 1-b of the Federal Aid Highway Act of 1938 (Public, Numbered 584, Seventy-fifth Congress), \$635,000, to remain available until June 30, 1942: *Provided*, That in connection with the highway-planning survey, involving surveys, plans, engineering, and economic investigations of projects for future construction in the District of Columbia, as provided for under section 10 of the Federal Aid Highway Act of 1938, this fund shall be available to the extent authorized in said section for the employment of engineering or other professional services by contract or otherwise, and without reference to section 3709 of the Revised Statutes (41 U. S. C. 5), the Classification Act of 1923, as amended, and civil-service requirements, and for engineering and incidental expenses;

For grading streets, alleys, and roads, including construction of necessary culverts and retaining walls, \$50,000;

For paving the unpaved center strips of paved roadways, \$5,000;

For minor changes in roadway and sidewalks on plans to be approved by the Commissioners of the District of Columbia to facilitate vehicular and pedestrian traffic, \$5,000;

For construction of curbs and gutters, or concrete shoulders in connection with all forms of macadam roadways and adjustment of roadways thereto, together with resurfacing and replacing of base of such roadways where necessary, \$200,000;

For the surfacing and resurfacing or replacement of asphalt, granite block, or concrete pavements with the same or other approved material \$350,000;

For construction, maintenance, operation, and repair of bridges, \$50,000;

For current work of repairs to streets, avenues, roads, and alleys, including the reconditioning of existing gravel streets and roads; for cleaning snow and ice from streets, sidewalks, cross walks, and gutters in the discretion of the Commissioners; and including the purchase, exchange, maintenance, and operation of non-passenger-carrying motor vehicles used in this work, \$922,500, of which amount \$97,500 shall be available exclusively for snow removal purposes, \$18,000 thereof to be immediately available for reimbursement to the appropriation from which expenditures for such purposes have heretofore been made, and not to exceed \$37,500 thereof to be avail-

able for the procurement of snow removal equipment: *Provided*, That appropriations contained in this Act for highways, sewers, city refuse, and the water department shall be available for snow removal when specifically and in writing ordered by the Commissioners: *Provided further*, That the Commissioners of the District of Columbia, should they deem such action to be to the advantage of the District of Columbia, are hereby authorized to purchase a municipal asphalt plant at a cost not to exceed \$30,000: *Provided further*, That not exceeding \$15,000 of the foregoing appropriation shall be available for the preparation of plans, working drawings, and specifications for the construction of an underpass at Scott Circle, including necessary changes in surface and underground structures within public property areas now occupied by roadways, sidewalks, walkways, parking, and park reservations: *Provided further*, That upon the completion and approval of such plans by the Commissioners of the District of Columbia, the National Capital Park and Planning Commission, and the Fine Arts Commission, the said Commissioners are authorized to submit the project as a Federal-aid highway project to the Public Roads Administration under the provisions of the Federal Aid Highway Act of June 8, 1938 (52 Stat. 633), and upon approval of such project by the Public Roads Administration the Commissioners are authorized to construct such underpass and perform such necessary incidental work and pay the

cost thereof from the appropriation contained in this Act for Federal-aid highway projects and the District's allocation of funds by the Public Roads Administration authorized by the said Federal Aid Highway Act: *Provided further*, That the necessary transfer of jurisdiction of public land and the relocation of monuments is authorized and directed under the provisions of the Land Transfer Act of May 20, 1932 (47 Stat. 161): *And provided further*, That the Commissioners are authorized to employ necessary engineering and other professional services, by contract or otherwise, without reference to section 3709 of the Revised Statutes (41 U. S. C. 5), the Classification Act of 1923, as amended, and civil-service requirements;

This appropriation shall be available for the construction and repair of pavements of street railways in accordance with the provisions of the Merger Act, approved January 14, 1933 (47 Stat. 752). The proportion of the amount thus expended which under the terms of the said Act is required to be paid by the street-railway company shall be collected, upon the neglect or the refusal of such street-railway company to pay, from the said street-railway company in the manner provided by section 5 of "An Act providing a permanent form of government for the District of Columbia", approved June 11, 1878, and shall be deposited to the credit of the appropriation for the fiscal year in which it is collected;

The unexpended balance of the appropriation of \$25,000 contained in the District of Columbia Appropriation Act for the fiscal year 1940 for the preparation of studies, plans and surveys, estimates and investigation of foundation conditions for a grade separation structure in the vicinity of Fourteenth Street and Maine Avenue Southwest, is hereby continued available for the same purposes during the fiscal year 1941;

For completing the construction of a bridge to replace the bridge in line of Pennsylvania Avenue over the Anacostia River in accordance with plans and profiles to be approved by the Commissioners of the District of Columbia, including construction of and changes in sewer and water mains, traveling expenses in connection with the inspection of material at the point of manufacture, employment of engineering and other professional services, by contract or otherwise, and without reference to section 3709 of the Revised Statutes (41 U. S. C. 5), the Classification Act of 1923, as amended, or the civil-service requirements, and engineering and incidental expenses, \$680,000;

Parking facilities study.

The Commissioners of the District of Columbia, in connection with the highway planning survey now in progress as a cooperative project with the Public Roads Administration, are directed to make a thorough study to determine the most feasible program for providing parking facilities, other than the public streets, for motor vehicles in the District of Columbia. Such study shall be made with a view to determining, among other things, the type or types and the quantity of such facilities which should be provided, the proper location and the probable cost of such facilities, and the appropriate method of financing the cost of such facilities. The Commissioners shall make a report to the Congress, of the results of their study, together with their recommendations at the earliest practicable date.

Report to Congress.

Changes in widths of sidewalks and roadways.

The Commissioners of the District of Columbia are authorized and empowered, in their discretion, to fix or alter the respective widths of sidewalks and roadways (including tree spaces and parking) of all highways that may be improved under appropriations contained in this Act.

Open competition for street improvement contracts.

No part of any appropriation contained in this Act shall be available for repairing, resurfacing, or paving any street, avenue, or roadway by private contract unless the specifications for such work shall be so prepared as to permit of fair and open competition in paving material as well as in price.

Period of contractors' liability for repairs for inferior work.

In addition to the provision of existing law requiring contractors to keep new pavements in repair for a period of one year from the date of the completion of the work, the Commissioners of the District of Columbia shall further require that where repairs are necessary during the four years following the said one-year period, due to inferior work or defective materials, such repairs shall be made at the expense of the contractor, and the bond furnished by the contractor shall be liable for such expense.

No part of the appropriations contained in this Act shall be used for the operation of a testing laboratory of the highways department for making tests of materials in connection with any activity of the District government.

Use of funds for testing laboratory, etc.

For personal services, trees, and parkings, \$26,780;

Trees and parkings, contingent expenses.

For contingent expenses, trees and parkings, including laborers, trimmers, nurserymen, repairmen, teamsters, hire of carts, wagons, or motortrucks, trees, tree boxes, tree stakes, tree straps, tree labels, planting and care of trees, and tree spaces on city and suburban streets, purchase and maintenance of non-passenger-carrying motor vehicles, and miscellaneous items, \$110,000;

Refunding erroneous collections: To enable the Commissioners, in cases where motor-vehicle registration fees, motor-vehicle operators' permit fees, motor-vehicle title fees, motor-vehicle fuel taxes, importers' license fees, special assessments, or collections of any character have been erroneously covered into the Treasury to the credit of the special fund created by the Act entitled "An Act to provide for a tax on motor-vehicle fuels sold within the District of Columbia, and for other purposes", approved April 23, 1924, and the Act entitled "An Act to provide additional revenue for the District of Columbia, and for other purposes", approved August 17, 1937, to refund such erroneous payments, \$1,500: *Provided*, That this appropriation shall also be available for refunding such payments made within the last three fiscal years prior to the fiscal year for which this appropriation is made available: *Provided further*, That this appropriation shall not be available for refunds authorized by section 10 of the Act of April 23, 1924.
