

STABILIZATION OPERATIONS BY THE FUND

SEC. 13. (a) The governor and executive director of the Fund appointed by the United States are hereby directed to obtain promptly an official interpretation by the Fund as to whether its authority to use its resources extends beyond current monetary stabilization operations to afford temporary assistance to members in connection with seasonal, cyclical, and emergency fluctuations in the balance of payments of any member for current transactions, and whether it has authority to use its resources to provide facilities for relief, reconstruction, or armaments, or to meet a large or sustained outflow of capital on the part of any member.

(b) If the interpretation by the Fund answers in the affirmative any of the questions stated in subsection (a), the governor of the Fund representing the United States is hereby directed to propose promptly and support an amendment to the Articles of Agreement for the purpose of expressly negating such interpretation. The President is hereby authorized and directed to accept an amendment to that effect on behalf of the United States.

FURTHER PROMOTION OF INTERNATIONAL ECONOMIC RELATIONS

SEC. 14. In the realization that additional measures of international economic cooperation are necessary to facilitate the expansion and balanced growth of international trade and render most effective the operations of the Fund and the Bank, it is hereby declared to be the policy of the United States to seek to bring about further agreement and cooperation among nations and international bodies, as soon as possible, on ways and means which will best reduce obstacles to and restrictions upon international trade, eliminate unfair trade practices, promote mutually advantageous commercial relations, and otherwise facilitate the expansion and balanced growth of international trade and promote the stability of international economic relations. In considering the policies of the United States in foreign lending and the policies of the Fund and the Bank, particularly in conducting exchange transactions, the Council and the United States representatives on the Fund and the Bank shall give careful consideration to the progress which has been made in achieving such agreement and cooperation.

“SEC. 3779. EXTENSIONS OF TIME FOR PAYMENT OF TAXES BY CORPORATIONS EXPECTING CARRY-BACKS.

“(a) IN GENERAL.—If a corporation, in any taxable year ending on or after September 30, 1945, files with the collector a statement, as provided in subsection (b), with respect to an expected net operating loss carry-back or unused excess profits credit carry-back from such taxable year, the time for payment of all or part of any tax imposed by chapter 1 or 2 for the taxable year immediately preceding such taxable year shall be extended, to the extent and subject to the conditions and limitations hereinafter provided in this section.

“(b) CONTENTS OF STATEMENT.—The statement with respect to an expected carry-back referred to in subsection (a) of this section shall be sworn to in the manner prescribed by section 52 in the case of a return and shall be filed at such time and in such manner and form as the Commissioner, with the approval of the Secretary, may by regulations prescribe. Such statement shall set forth that the corporation expects to have a net operating loss carry-back, as provided in section 122 (b), or an unused excess profits credit carry-back, as provided in section 710 (c) (3), from the taxable year in which such statement is made, and shall set forth, in such detail and with such supporting data and explanation as such regulations shall require—

“(1) the estimated amount of the expected net operating loss or unused excess profits credit;

but such reduction being decreased by the amount of any credits under section 780 properly allocable to such reduction;

"(4) the tax or taxes and the amount thereof the time for payment of which is to be extended; and

"(5) such other information for the purpose of carrying out the provisions of this section as may be required by such regulations.

The collector shall, upon request, furnish a receipt for any statement filed, which shall set forth the date of such filing.

"(c) **AMOUNT TO WHICH EXTENSION RELATES AND INSTALLMENT PAYMENTS.**—The amount the time for payment of which may be extended under subsection (a) with respect to any tax shall not exceed the amount of such tax shown on the return, increased by any amount assessed as a deficiency (or as interest or additions to the tax) prior to the date of filing the statement and decreased by any amount paid or required to be paid prior to the date of such filing, and the total amount of the taxes the time for payment of which may be extended shall not exceed the amount stated under clause (3) of subsection (b). For the purposes of this subsection, an amount shall not be considered as required to be paid unless shown on the return or assessed as a deficiency (or as interest or addition to the tax), and an amount assessed as a deficiency (or as interest or additions to the tax) shall be considered to be required to be paid prior to the date of filing of the statement if the tenth day after notice and demand for its payment occurs prior to such date. If an extension of time under this section relates to only a part of a tax, the time for payment of the remainder shall be considered to be the dates on which payments would have been required if such remainder had been the tax and the taxpayer had elected to pay the tax in four equal instalments as provided in section 56 (b).

"(d) **PERIOD OF EXTENSION.**—The extension of time for payment provided in this section shall expire—

"(1) on the last day of the month in which falls the last date prescribed by law (including any extension of time granted the taxpayer) for the filing of the return for the taxable year of the expected net operating loss or unused excess profits credit, or

"(2) if an application for tentative carry-back adjustment provided in section 3780 with respect to such loss or unused credit is filed before the expiration of the period prescribed in clause (1), on the date on which notice is mailed by registered mail by the Commissioner to the taxpayer that such application is allowed or disallowed in whole or in part.

"(e) **REVISED STATEMENTS.**—Each statement filed under subsection (a) with respect to any taxable year shall be in lieu of the last statement previously filed with respect to such year. If the amount the time for payment of which is extended under a statement filed is less than the amount under the last statement previously filed the extension of time shall be terminated as to the difference between the two amounts.

"(f) **TERMINATION BY COMMISSIONER.**—The Commissioner is not required to make any examination of the statement, but he may make such examination thereof as he deems necessary and practicable. The Commissioner shall terminate the extension as to any part of the amount to which it relates which he deems should be terminated because, upon such examination, he believes that, as of the time such examination is made, all or any part of the statement clearly is in a material respect erroneous or unreasonable.

"(g) **PAYMENTS ON TERMINATION.**—If an extension of time is terminated under subsection (e) or (f) with respect to any amount, then—

"(1) no further extension of time shall be made under this section with respect to such amount, and

"(2) the time for payment of such amount shall be considered to be the dates on which payments would have been required if there had been no extension with respect to such amount and the taxpayer had elected to pay the tax in four equal instalments as provided in section 56 (b).

"(h) JEOPARDY.—If the Commissioner believes that collection of the amount to which an extension under this section relates is in jeopardy, he shall immediately terminate such extension and notice and demand shall be made by the collector for payment of such amount.

"(i) INTEREST.—In the case of an amount the time for payment of which has been extended, there shall be collected as part of such amount interest from the dates on which payments would have been required if there had been no extension and the taxpayer had elected to pay the tax in four equal instalments as provided in section 56 (b)—

"(1) upon so much of such amount as is satisfied under section 3780 (b) by applying or crediting thereto, within the period of extension, a decrease in tax determined in connection with an application under section 3780 (a), interest at the rate of 3 per centum per annum to the date of such satisfaction, except that on so much of such satisfied amount as is not in excess of the amount of the deficiencies assessed under section 3780 (b) and which is not so satisfied, the rate shall be 6 per centum per annum; and

"(2) upon the remainder of the amount the time for payment of which has been extended, interest at the rate of 6 per centum per annum to the date such amount is paid.

If the Commissioner determines that during the period of extension credit or refund of an overpayment has been allowed or made, or a deficiency assessed, affecting the amount to which the extension relates and that the taxpayer could not have taken such overpayment or deficiency into account in the statement or a revised statement, appropriate adjustment shall be made in the interest.

"SEC. 3780. TENTATIVE CARRY-BACK ADJUSTMENTS.

"(a) APPLICATION FOR ADJUSTMENT.—A taxpayer may file an application for a tentative carry-back adjustment of the taxes for prior taxable years affected by a net operating loss carry-back, provided in section 122 (b), or an unused excess profits credit carry-back, provided in section 710 (c) (3), from any taxable year ending on or after September 30, 1945. The application shall be verified in the manner prescribed by section 51 or section 52 in the case of a return of such taxpayer, and shall be filed, on or after the date of filing of the return for the taxable year of the net operating loss or unused excess profits credit from which the carry-back results and within a period of twelve months from the end of such taxable year, in the manner and form required by regulations prescribed by the Commissioner with the approval of the Secretary. The application shall set forth, in such detail and with such supporting data and explanation as such regulations shall require—

"(1) the amount of the net operating loss or unused excess profits credit;

"(2) the amount of the tax previously determined for each prior taxable year affected by such carry-back; the tax previously determined being ascertained in accordance with the method prescribed in section 3801 (d);

"(3) the amount of increase or decrease in each such tax, attributable to such carry-back; such increase or decrease being

If an application under section 124 (j) for tentative adjustment of tax with respect to amortization has been previously filed but such adjustment has not been previously determined, then for the purposes of this section the assessments, applications, credits, and refunds provided for in section 124 (k) shall be considered as having previously been made upon the basis of such application under section 124 (j);

An application under this subsection shall not constitute a claim for credit or refund.

“(b) ALLOWANCE OF ADJUSTMENTS.—Within a period of ninety days from the date on which an application for a tentative carry-back adjustment is filed under subsection (a), or from the last day of the month in which falls the last date prescribed by law (including any extension of time granted the taxpayer) for filing the return for the taxable year of the net operating loss or unused excess profits credit from which such carry-back results, whichever is the later, the Commissioner shall make, to the extent he deems practicable in such period, a limited examination of the application, to discover omissions and errors of computation therein, and shall determine the amount of the increase or decrease in each tax attributable to such carry-back upon the basis of the application and the examination, except that the Commissioner may disallow, without further action, any application which he finds contains errors of computation which he deems cannot be corrected by him within such ninety-day period or material omissions. Each such increase shall be deemed determined as a deficiency and shall be assessed, without regard to the restrictions on assessment in section 272. Each such decrease shall be applied against any unpaid amount of the tax decreased (including any amount of such tax as to which an extension of time under section 3779 is in effect) and any remainder shall be credited—

“(1) against the deficiencies (and additions to the tax) assessed under this subsection,

“(2) against any unsatisfied amount of any tax for the taxable year immediately preceding the taxable year of the net operating loss or unused excess profits credit the time for payment of which tax is extended under section 3779, and

any remainder shall, within such ninety-day period, be either credited against any income, war profits, or excess profits tax or instalment thereof then due from the taxpayer, or refunded to the taxpayer. The application, credit or refund of a decrease determined under this subsection shall be deemed a credit or refund of an overpayment within the meaning of sections 781 (b) and 3807 (b) (1).

“(c) ASSESSMENT OF ERRONEOUS ALLOWANCES.—If the Commissioner determines that the amount applied, credited or refunded under subsection (b) is in excess of the overassessment attributable to the carry-back with respect to which such amount was applied, credited

The penalty portion shall be the excess of the amount to which such extension relates which is not paid by the end of the taxable year in which such extension is made over 125 per centum of the amount to which such extension relates which is satisfied by applying thereto a decrease in tax in respect of an application under section 3780 (a) less any amounts assessed in respect of such application which are not so satisfied.”

SEC. 7. TENTATIVE ADJUSTMENTS WITH RESPECT TO AMORTIZATION DEDUCTIONS.

Section 124 of the Internal Revenue Code is amended by inserting at the end thereof the following new subsections:

54 Stat. 968.
26 U. S. C. § 124;
Supp. IV, § 124.

“(j) **APPLICATION FOR TENTATIVE ADJUSTMENT.**—Any taxpayer who has filed a statement of election as prescribed in paragraph (4) of subsection (d) may, within ninety days from the date such statement is filed, or within ninety days from the date of enactment of this Act, whichever is the later, file an application for tentative adjustment

with respect to the taxes for taxable years prior to the taxable year in which such application is filed which are to be computed as required by paragraph (4) of subsection (d) as the result of such election. Such application shall be verified in the manner prescribed by section 51 or section 52 in the case of a return of such taxpayer and shall be made in such manner and form as shall be required by regulations prescribed by the Commissioner with the approval of the Secretary, and shall set forth, in such detail and with such supporting data and explanation as such regulations shall require, the recomputation of such taxes required by paragraph (4) of subsection (d) except that the tax for each taxable year to be recomputed shall be the tax for such year previously determined, ascertained in accordance with the method prescribed in section 3801 (d). If an application under section 3780 (a) for tentative carry-back adjustment has been previously filed, but such adjustment has not been previously determined, then for the purpose of subsection (j) and (k), the assessments, applications, credits, and refunds provided in section 3780 (b) shall be considered as having been previously made upon the basis of such application under section 3780 (a). Such recomputation of tax shall be made on the basis of the items on the basis of which the tax to be recomputed was determined. Such application shall also set forth the unpaid amount of each tax recomputed and such other information for the purpose of carrying out the provisions of subsections (j) and (k) as may be required by such regulations. An application under this subsection shall not constitute a claim for credit or refund.

“(k) ALLOWANCE OF ADJUSTMENT.—Within a period of ninety days from the filing of an application under subsection (j), the Commissioner shall make, to the extent he deems practical in such period, a limited examination of the application for omissions and errors of computation, and shall determine the amount of the increase or decrease in each tax to which such application relates, on the basis of the application and the examination, except that the Commissioner may disallow, without further action, any application which he finds contains material omissions, or errors of computation which he deems cannot be corrected by him within such ninety-day period. Each increase shall be deemed determined as a deficiency and assessed, without regard to the restrictions on assessment in section 272. Each decrease shall be applied against any unpaid amount of the tax decreased, and any remainder shall be credited against the deficiencies (and interest or additions to the tax) assessed under this subsection, and any remainder shall, within such ninety-day period, be either credited against any other income, war profits, or excess profits tax, or instalment thereof, due from the taxpayer, or refunded to the taxpayer. The application, credit, or refund of a decrease determined under this subsection shall be deemed a credit or refund of an overpayment within the meaning of section 781 (b).”
