

[CHAPTER 12]

JOINT RESOLUTION

March 7, 1947
[H. J. Res. 122]
[Public Law 12]

To authorize the United States Maritime Commission to make provision for certain ocean transportation service to and from Alaska until July 1, 1948, and for other purposes.

U. S. Maritime Commission.
Water transportation service for Alaska.

Availability to operators of Government-owned vessels.

Allocation of receipts.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to provide essential water transportation service for the Territory of Alaska pending the determination of long-range policy with respect to such transportation, the United States Maritime Commission is authorized to enter into appropriate contracts, charters, and other arrangements with American citizens operating American flag-line vessels deemed by the Commission to be qualified to supply such service until July 1, 1948. Such contracts or arrangements shall include provisions for making available to such operators Government-owned vessels under the control or jurisdiction of the United States Maritime Commission for operation during the period ending June 30, 1948. Such provisions may include charter hire at a nominal rate or rates, with necessary marine insurance to be provided by the Commission as to ships made available by the Commission and other ships operated by such operators in the Alaska service under the contracts or arrangements with the Commission. Such provisions may likewise include requirements that the operators shall agree to operate such ships in a manner as determined by the Commission to secure the most economical transportation for the Alaska service. The contracts or other arrangements shall include appropriate provisions for allocation of receipts from the operations of such ships. Such contracts or arrangements shall include, among such other requirements as the Commission may deem appropriate, provision for the application of such receipts to meet the operating costs and overhead expenses of the operator as approved by the Commission and an amount equal to the charter hire paid by the Commission for the use of the existing privately owned vessels, and in the case of vessels acquired subsequent to the enactment of this Act an amount equivalent to 15 per centum per annum of the purchase price of said vessel plus capitalized betterments, and amounts in excess thereof to become the property of the operators in amounts not in excess of 10 per centum (before taxes) on the value of the assets (other than vessels) contributed to the venture by the operator as determined by the Commission for the purposes hereof and not otherwise. Any amount in excess of such 10 per centum shall be applied first to meet the insurance expenses of the Commission, and any balance shall be applied or distributed as may be provided by the terms of the contracts or arrangements, but in no event shall the Commission receive less than 75 per centum of such balance, as additional charter hire.

Reports to Congress.

SEC. 2. The Commission shall report to the Congress at intervals of not greater than ninety days all contracts, charters, and other arrangements entered into pursuant to this Act and the details and course of all operations which have been conducted thereunder.

Approved March 7, 1947.
