COLORADO RIVER DAM FUND

Boulder Canyon project: For operation, maintenance, and replacements of the dam, power plant, and other facilities, of the Boulder Canyon project, \$1,500,000, payable from the Colorado River dam fund, including payments to the Boulder City school district in accordance with the provisions of Public Law 528, approved May 12, 1948. Said payments for dependents of those employees of the Bureau of Reclamation directly employed in the construction, operation, and maintenance of the project shall be deemed a part of the cost of operation and maintenance of said project under section 1 (a) of the Boulder Canyon Project Adjustment Act (Act of July 19, 1940, 54 Stat. 774). Other such payments shall be deemed nonproject costs. The Secretary shall submit to the Appropriations Committees annually a justification showing all investments and expenditures made or proposed out of the Colorado River dam fund, for the joint use of the project and of other Federal activities at or near Boulder City. In the proportion that such investments and expenditures were or shall be for the use of such other Federal activities and not related to the construction, operation, or maintenance of the project they shall be deemed nonproject investments and expenditures. The obligation under the provision of section 2 of the said Act to repay to the United States Treasury advances and readvances to the Colorado River dam fund which obligation is made the basis for computation of rates under the provisions of section 1 of said Act, shall be diminished in the amount that nonproject investments or expenditures are or have been made from said fund and the rates computed pursuant to said section 1 of said Act shall reflect such diminution.

ALASKAN INVESTIGATIONS

For engineering and economic investigations, as a basis for legislation, and for reports thereon, relating to projects for the development and utilization of the water power resources of Alaska, \$150,000, which shall be available for, but not restricted to, services as authorized by section 15 of the Act of August 2, 1946 (5 U. S. C. 55a), and rations and quarters for field parties while away from inhabited communities in which such facilities are available.

60 Stat. 810.

No part of any appropriation for the Bureau of Reclamation, contained in this or any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: *Provided*, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 665 of title 31 of the United States Code.

Restriction on certain obligations.

Not exceeding 8 per centum of the construction appropriation for any project under the Bureau of Reclamation contained in this Act shall be available for construction work by force account, or on a hired labor basis, except for projects or items the estimated construction cost of which does not exceed \$200,000, and only then in cases where the Bureau of Reclamation finds the lowest bids to be excessive.

Construction work by force account, etc.

Transfer of property,
etc.

The War Assets Administration or any other Federal agency having ownership or custody thereof or interest therein is hereby directed to transfer to the Davis Dam project, without exchange of funds, the following described interests and facilities, including spare parts, of the Basic Magnesium project, Henderson, Nevada:

(a) The project's interest and equity in the part of Hoover Dam power plant switchyard known as T-7A;

(b) Two 230-kilovolt transmission lines between the said Hoover Dam power plant switchyard and the Basic Magnesium project substation, including all two hundred and thirty-kilovolt switching equipment at the terminal of the lines at the Basic Magnesium project, together with appurtenant permits, rights-of-way, or other interest in realty;

(c) Three original seventy-five-thousand-kilovolt ampere, 230/13.8-kilovolt transformer banks and associated low voltage switching equipment included within the zone of differential protection for said transformers.

Upon transfer of the facilities herein described, the Secretary shall determine the amount of their fair value to the Davis Dam power system, and such amount shall be included in the determination of construction investment and other fixed charges which are required by section 9 of the Reclamation Project Act of 1939, as amended, to be considered in establishing rates for the sale of electric power.

43 U. S. C. § 485h.

Transfer of aircraft
engines, etc.

The Departments of Air Force, Army, and Navy, the Civil Aeronautics Administration, and the War Assets Administration are authorized during the fiscal year 1949 to transfer to the Bureau of Reclamation aircraft engines, parts, accessories, and other aircraft equipment, materials and supplies, surplus to the needs of such agencies, as may be required by said Bureau of Reclamation, such transfers to be without charge therefor.

Transfer of property.

The War Assets Administration or other Federal agencies having ownership or custody thereof or interest therein is hereby directed to transfer to the Bureau of Reclamation, without exchange of funds, the following-described lands, improvements, buildings, facilities, and interest:

(a) Government-owned real property, identified by the War Assets Administration as Plancor 587, located at Columbus, Stillwater County, Montana, consisting of approximately one and five-tenths acres of land and two garage-shop and warehouse buildings located thereon containing approximately thirty-four thousand four hundred square feet.

(b) Government-owned warehouse situated on land owned by the Northern Pacific Railway Company and leased to the Government, identified by the War Assets Administration as Plancor 133, located at Columbus, Stillwater County, Montana, containing approximately eight thousand square feet of floor space.

Transfer of lands.

The War Assets Administration or other Federal agency having ownership or custody thereof or interest therein is hereby directed to transfer to the Bureau of Reclamation without exchange of funds, the following-described lands, together with improvements, buildings, facilities, equipment, and interest:

A parcel of that section of the Grand Island Army Air Field, Grand Island, Nebraska, lying west of First Road West, formerly known as the station hospital area, and described in detail as follows:

Approximately forty acres of land generally defined as the northeast quarter southeast quarter section 34, township 12 north, range 9 west. It is the desire to acquire all land abutting against lands presently owned by the city of Grand Island and including such portions of Road One West and right-of-way between Chapel Street and the point one hundred and eighty feet south of the intersection with

Second Street South, to give continuous ownership in the east and west direction as between the United States Government (Bureau of Reclamation) and the city of Grand Island. The records show that all of this land was acquired from individual owners by the United States of America during August and September 1943, and the transfers are recorded with the registrar of deeds, Hall County, Nebraska, and the following buildings located in the hospital area numbered as follows: T-1112, T-1113, T-1114, T-1115, T-1116, T-1117, T-1118, T-1122, T-1100, T-1103, T-1104, T-1105, T-1107, T-1101, T-1102, T-1106, T-1108, T-1109, T-1110, T-1111, and T-1120, together with all roads, improvements, electric power lines, heating lines, water lines, sewer systems, Air-Temp units, steam boilers, and other appurtenances to the above-listed buildings, and all other facilities and equipment incident to said hospital area not heretofore disposed of.

The War Assets Administration is authorized and directed to transfer to the Bureau of Reclamation unexpended balances of funds available for maintenance and protection of transferred property under the Department of the Interior Appropriation Act of 1947 (Public Law 478, Seventy-ninth Congress) to reimburse the Bureau of Reclamation for expenditures made for the maintenance and protection of the Yuma Army Air Base and such transfer shall be made hereafter for the maintenance and protection of the Yuma Army Air Base, pending its final disposition as contemplated in the Interior Appropriation Act of 1948 (Public Law 247, Eightieth Congress, first session).

The Reconstruction Finance Corporation is authorized and directed to transfer to the Bureau of Reclamation, without reimbursement or transfer of funds, all of its right, title, and interest in and to a certain building and improvements under Defense Plant Corporation project, Plancon 1437, constructed on the War Relocation Center at the Heart Mountain Division of the Shoshone project, Wyoming.

close of the fiscal year 1949 out of reimbursements received from cooperating agencies;

During the fiscal year 1949 the head of any department or independent establishment of the Government having funds available for scientific and technical investigations within the scope of the functions of the Geological Survey may, with the approval of the Secretary, transfer to the Geological Survey such sums as may be necessary therefor, which sums so transferred may be expended for the same objects and in the same manner as sums appropriated herein may be expended: *Provided*, That not to exceed 5 per centum of any of the appropriations for the Geological Survey may be transferred to any other of such appropriations, but no appropriation shall be increased more than 5 per centum thereby. Any such transfer shall be reported to Congress in the annual Budget;

In the event that the Director of the Geological Survey deems it advantageous to the Government, the Geological Survey is authorized to contract for the furnishing of topographic maps made from aerial photographs, or for the making of geophysical or other specialized surveys;

The Geological Survey may acquire from the Department of National Defense or from any disposal agency of the Government without reimbursement or transfer of funds, one aircraft for replacement only; including engines, parts, accessory, and flying equipment.
