

[CHAPTER 809]

AN ACT

July 2, 1948
[S. 1683]

[Public Law 881]

To confer jurisdiction on the State of New York with respect to offenses committed on Indian reservations within such State.

Indian reservations,
N. Y.
Jurisdiction over of-
fenses.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the State of New York shall have jurisdiction over offenses committed by or against Indians on Indian reservations within the State of New York to the same extent as the courts of the State have jurisdiction over offenses committed elsewhere within the State as defined by the laws of the State: *Provided,* That nothing contained in this Act shall be construed to deprive any Indian tribe, band, or community, or members thereof, hunting and fishing rights as guaranteed them by agreement, treaty, or custom, nor require them to obtain State fish and game licenses for the exercise of such rights.

Approved July 2, 1948.

[CHAPTER 810]

AN ACT

July 2, 1948
[S. 1969]

[Public Law 882]

To amend the Philippine Rehabilitation Act of 1946 in connection with the training of Filipinos as provided for in title III.

§ 1791 (c).

Equipment.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 302 (b) of the Philippine Rehabilitation Act of 1946 (Public Law 370, Seventy-ninth Congress) is amended to read as follows:

“(b) The Commissioner of Public Roads is authorized, under such regulations as he may adopt, to provide training for not to exceed ten Filipino engineers, to be designated by the President of the Philippines from the regularly employed staff of the Philippine Public Works Department and the engineer officers of the armed forces of the Philippines subject to the provisions of section 311 (c), in the construction, maintenance, and highway traffic engineering and control necessary for the continued maintenance and for the efficient and safe operation of highway transport facilities.”

SEC. 2. Section 305 (b) of the Philippine Rehabilitation Act of 1946 is amended to read as follows:

“(b) To accomplish such purposes the Public Health Service shall at the earliest practicable time survey the health situation in the Philippines, and is authorized to replace, expand, or install such health services and facilities in the Philippines as are deemed essential to preservation of health, and may assist in the rehabilitation and development of a Philippine quarantine service for prevention of introduction of disease from abroad or from one island to another. The Public Health Service may set up demonstrations and establish training centers in the Philippines; may establish and maintain in the Philippines a school or schools for the purpose of providing practical instruction in public health; and may, at any time prior to July 1, 1950, provide not to exceed one year of training in public health methods and administration, through study at appropriate schools or colleges in the United States and supplementary field work and observation of public health work, to not more than ninety Filipinos, to be designated by the President of the Philippines subject to the provisions of section 311 (c), and not to exceed five months of training in such methods and administration, through field work and observation of public health work, to not more than ten additional Filipinos, to be so designated. It may replace equipment and supply reasonably necessary additional equipment, utilizing for this purpose, so far as
