

VERMONT TIMES—EXTRA.

WINDSOR, SEPTEMBER 3, 1840.

ELECTION RETURNS.

GLORIOUS VICTORY!—VERMONT EVER FAITHFUL!!

A great victory has been achieved! Vermont is coming to the rescue! The citizens of the Green Mountain State have nobly vindicated the character of Gen. HANCOCK from the base calumnies heaped upon him by his political enemies. The verdict is now pronounced—NOT GUILTY!—to the tune of about 10,000 majority in his favor. The people of Vermont know his worth,—and thus knowing, they cannot but appreciate its inestimable value.—We give all the returns we have received. Windsor County is the Genesee of Vermont—showing a Whig majority of 3,373, and a gain of nearly two THOUSAND since last year,—and electing Whig representatives in EVERY TOWN—23 in number—a net gain of 14.
